A NOTED BUT UNTILTED WOMAN.

(From the Boston Globe.)

Dear Editors—

The above is a good likeness of Mrs. Lydia K. Pinkham, of Lynn, Mass., who shows other human beings to be truthfully called the "Dear Friend of Women," a woman whose correspondence has been published in a book, which is the outcome of a life's study, and is obliged to keep a lady's name, to help her answer the large correspondence which daily pours in upon her, each bearing its special burden of suffering, or joy at release from it. Her Vegetable Compound is a medicine for good and not ill purpose. I have personally investigated it and am satisfied of the truth of this.

On account of its proven merits, it is recommended and prescribed by the best physicians in the country, and is truly called the "Dear Friend of Women," a woman whose correspondence has been published in a book, which is the outcome of a life's study, and is obliged to keep a lady's name, to help her answer the large correspondence which daily pours in upon her, each bearing its special burden of suffering, or joy at release from it. Her Vegetable Compound is a medicine for good and not ill purpose. I have personally investigated it and am satisfied of the truth of this.

It cures all ovarian troubles, inflammation and prostration, Floodings, all Displacements, and the consequent spinal weakness, and is especially adapted to be Change of Life.

It removes fatness, indigestion, restores all craving for stimulants, and relieves weakness of the stomach. It cures Bleeding, Headaches, nervous Prostration, General Debility, Sleeplessness, eye, vision and Indigestion. All feelings of bearing down, swelling pain, weight and backache, is always removed by its use. It will act at all times, and under all circumstances, and in harmony with the law of nature, and is a female system.

It costs only \$1.00 per bottle or six for \$5.00, and is sold by druggists. Any advice required as to special cases, and the names of our city who have been restored to perfect health by the use of the Vegetable Compound, can be obtained by address, Mrs. P., with stamp for reply, to her home in Lynn, Mass.

For Kidney Complaint, if either sex this compound is prescribed as abundant testimonials show.

"Mrs. Pinkham's Liver Pills," says one writer, "are the best in the world for the cure of Constipation, flatulency and Torpidity of the Liver. Her Blood Purifier works wonders in its total line and has equal the Compound in its popularity."

All must respect her as an Angel of Mercy whose sole mission it is to do good to others. Mrs. A. M. D. Philadelphia, Pa.
