

**GENERAL PERSHING: CAMERA MAN.** The doughboys' commander in chief decorates with a Distinguished Service Medal five army nurses who made enviable war records overseas and then shoots a few feet of them for the news weekly man. From left to right the nurses are: Captain Sayres L. Milliken, Captain Blanche S. Rulon, First Lieutenant Carrie L. Howard, Second Lieutenant Nena Shelton and Second Lieutenant Catherine C. Sinnott. *Paul Thompson*

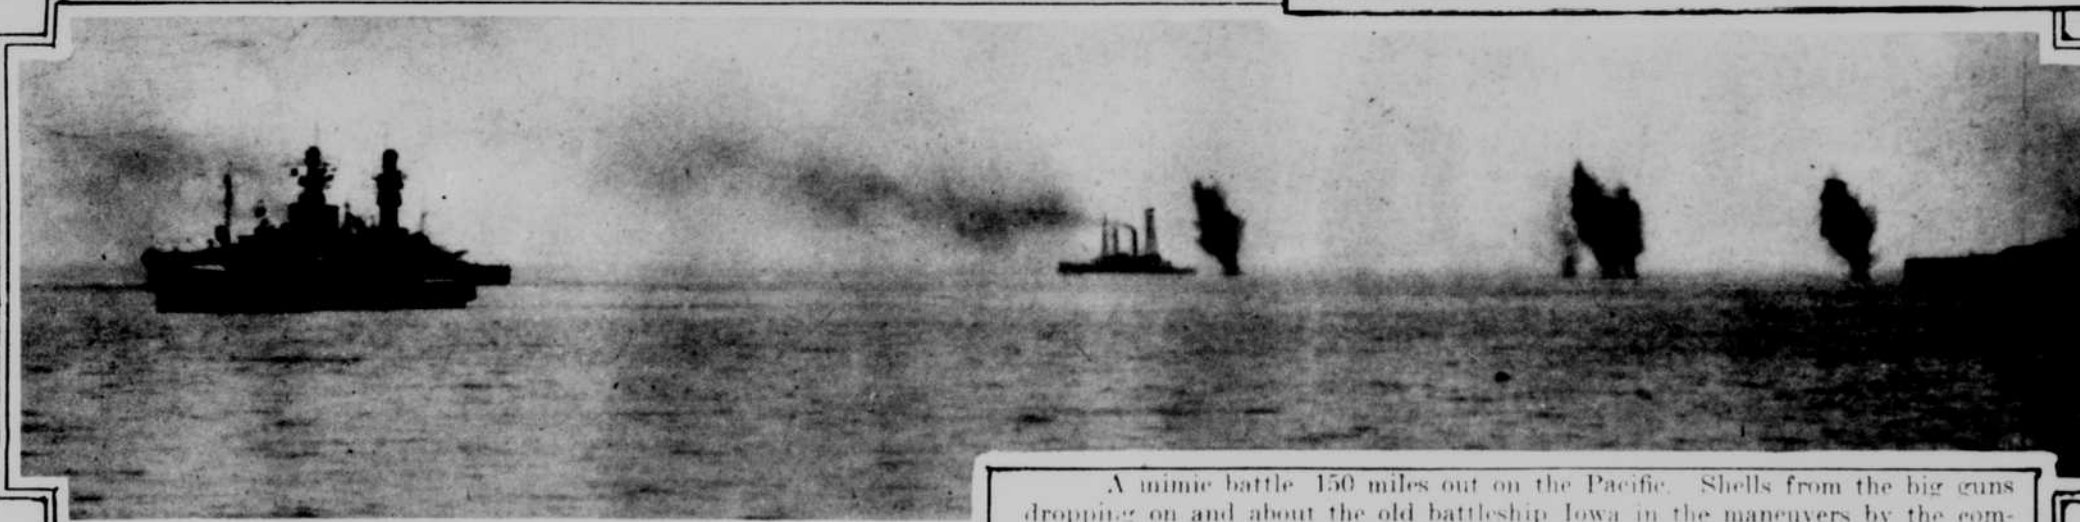

**WHAT'S YOUR GUESS?** Did the lady return to the saddle, as apparently she had a fair chance of doing, or did she terminate her unexpected flight on the turf? The correspondent who sent in this striking action snap, taken at the Royal Agricultural Society's recent show at Sydney, Australia, neglected to state. *Underwood*

**THE "WASP" STINGS.** Otto Kruger, as a drunken ne'er-do-well, bank robber, double-crosser and person of carnal predilections, snapped in a genuine close-up with Galina Koperhak, who, as a Spanish maid of tropical temperament, plays the title rôle in the Fallon murder mystery at the Morosco, New York. *White*

**SOMETHING NEW IN HURDLES.** Tipperary, a wonder horse, owned and ridden by Jack Presage, of Calgary, Canada, goes over the top of a standard Buick touring car—from a picture made recently on the grounds of the new and fashionable Bon Air Vanderbilt Hotel at Augusta, Ga. Tipperary in making this record jump cleared a distance of twenty-two feet in length and six and a half feet in height. *Loide Wood*

A mimic battle 150 miles out on the Pacific. Shells from the big guns dropping on and about the old battleship Iowa in the maneuvers by the combined Atlantic and Pacific fleets off Panama. *Harris & Ewing*

Fifty jumps without stopping! Can she do it? Has she the endurance, the reserve strength?

It is estimated that one child out of four is malnourished and, therefore, has less than normal weight, strength and endurance.

One important cause of this malnutrition is deficient foods—foods that lack the vital element which is found in such great abundance in Yeast Foam Tablets.

Have your children start eating these tablets today. They're unexcelled for poor appetite, indigestion, and for helping change food into robust strength and vigorous health.

Yeast Foam Tablets are not a medicine; they are a pure, wholesome, palatable tonic food made of selected yeast. For this reason and because our yeast doesn't cause gas, it is safe for children as well as adults.

Sold by druggists and made by the makers of the famous baking yeasts, Yeast Foam and Magic Yeast.
