

SCHOOL LAND LEASING.

The following described school lands in Cherry county will be offered for lease at public sale at Valentine at the County Treasurer's Office, on September 18, 1900, beginning at 9 a. m. and continuing until all of said lands have been offered.

These lands may be leased at an annual rental of six per cent of the valuation shown below, by the first person offering to take the same when they are called for lease at the auction, unless a premium is offered, in which case the lease contract will be awarded to the person paying the greatest amount of bonus therefor. Failure to receive a bid of six per cent upon said appraised value of any of these lands, they may be leased to the person who will pay six per cent upon the highest valuation, as provided in Sec. 15 of the new school land law.

In order that all interested may have an equal opportunity to secure leases, these lands are hereby withdrawn from the market until the beginning of the public auction aforesaid.

A portion of these lands are vacated by virtue of orders of the Board of Educational Lands and Funds, duly made, and may be redeemed if delinquencies and costs are paid before the land is leased.

Table listing school land parcels with their respective valuations and descriptions.
