BE AN OPTIMIST

If you have a discolored tooth that is an eyesore to you and your friends—I can bleach it.

If your artificial teeth are suspiciously white and even, and you have no peace of mind when you smile—I can make them look natural.

OUR LETTER BOX.

Appeal for Y. W. C. A.

OMAHA, Nov. 26.—To the Editor of The Bee: The Young Women's Christian association of Omaha has purchased the South-west corner lot at Seventeenth street and St. Mary's, avenue at a cost of \$15,000.

The building committee has visited some of the best equipped buildings in the country and has studied the needs of the women of Omaha and believes that it will not be possible to erect a building for less than \$15,000.

The building will contain a bright and commodious lunch room, a gymnasium with the much needed baths and lavatories, a thoroughly equipped school of domestic science, with facilities for teaching housekeeping, cookery, laundry work, plain sewing, etc.

On behalf of the association, we appeal to you to keep this enterprise in mind when planning your gifts for philanthropic purposes in 1936, and to set aside a generous subscription.
