Firing from the doorway of their home on a sheriff's posse to give their father and brothers time to escape, Mrs. Charles Daniels and her 18-year-old daughter were shot to death yesterday near Dalton, Mingo county, by the officers.

After the killing of Christian the two families and their friends became involved. The Christians shot and wounded for Jim Daniels and his brother Charles, and led a posse of Pike county officers to the home of the Daniels. When the officers appeared within a few feet of the house, Mrs. Daniels and her daughter opened fire with rifles, one of the posse receiving a bullet in the arm.

The Christians opened fire. Mrs. Daniels was shot down in the doorway, but the daughter stood over her prostrate form and fired upon the posse until she dropped dead across her mother, pierced by three bullets.

The officers closed in, but by forfeiting their lives, the mother and daughter had so effectively covered the retreat of the father and brother that the latter made their escape.
