August A. Klages, 810 St. Charles street, Baltimore, Md. writes: "From my youth I suffered from poisonous taint in my blood. My face and body was continually affected with eruptions and sores. I am now 42 years of age and had been treated both in Germany and America, but no remedy overcame the trouble until I used Botanic Blood Balm. I have used about twenty bottles, and now my skin is clear, smooth and healthy, and I consider the poison permanently driven from my blood. I endorse it as the best blood remedy."
