convenience or ill effects. That is why the county commissioners have arranged for the free dispensaires this summer.

The treatment is harmless and practically without pain. It causes no sore arms or unpleasant after effects. It will not stop a person from engaging in any ordinary work. The treatment is given hypodermically in the left arm. Three doses must be taken to be effective. A person so vaccinated is immune from typhoid fever for at least three years.

The Board of Commissioners have arranged with the County Physician Dr. W. R. McIntosh to administer the treatment in this county. The anti-typhoid vaccine is supplied free by the State Board of Health. There will be no charge made and all the people, young and old, white and black, rich and poor are urged to take advantage of the opportunity thus offered.

The schedule of dates and places of free treatments is as follows: clip this out for reference, and don't fail to be on hand for each of the three doses:

MR. STOGNER REPLIES

ing of the warrant against the defendant Lashley, nor was she confronted with any letters that she had written to the defendant, nor was she the prosecuting witness. The warrant was sworn out before H. P. Barrett, a justice of the peace of Richmond county by W. M. Stogner. The attorneys representing the State and the defendant made a settlement of the case between themselves and to the best interest to all parties concerned, and the said warrant was withdrawn by W. M. Stogner after the said settlement had been made by the attorneys, and was not withdrawn by Grace Stogner, nor did she have anything to do with its being withdrawn.

"W. M. STOGNER."

THAT LASHLEY ACCOUNT.

The following is the Lashley account as taken from the Greensboro Daily News and published last week. It is reproduced here:

From Greensboro Daily News, July 20th

The charge of criminal assault against W. L. Lashley, an insurance man of Greensboro, made by the father of Grace Stogner, of Richmond county, was withdrawn yesterday and Lashley stands a free man. The withdrawal of the warrant came after Miss Stogner, the prosecuting witness, admitted the falsity of her charge.

The warrant charged Lashley with committing a criminal assault on Miss Stogner last December. Upon the request of Richmond county officials Lashley was arrested here Saturday and taken to Rockingham. When Miss Stogner was confronted with the fact that many friendly letters, written by her to Mrs. Lashley, would be submitted as evidence, she broke down and confessed that the charge was false. Without a hearing the Richmond county officials turned Lashley loose, and he came back to Greensboro yesterday.

Rt 3 News.

Mesdames W. J. Gullege, and J. M. Lowe, Dixon and Miss Effie Ingram and Mr. J. A. Covington motored to Lilesville last Sunday to see Mrs. Charlie Long.

Don't forget that Friday, afternoon is the time for the club meeting. It meets with Mrs. Al. lie Dobbins.

Miss Edith Allen, of Piscoe, was visiting at Mr. and Mrs. Dan Allen's Sunday, the former her brother.

"Mrs. G. H. Kelly," and daughter, Miss Ella, spent the week-end with Mrs. S. L. Webb, on Watson Heights.

Neil Covington entertained a few of his friends on Wednesday night of last week at the home of his parents, Mr. and Mrs. J. C. Covington, celebrating his 18th birthday. Games and conversation were the only diversions of the evening. Delicious cake and lemonade were served. The boys all declared that the cake was the best they had ever eaten, (a slam on the girls because Neil cooked the cake,) while the girls just simply couldn't believe he cooked it, till his mother said he did; they admitted that it was just fine. Thus ended an evening of much pleasure and all departed, wishing Neil many more such birthdays.

Our boys did themselves proud last Friday night at a "chicken stew" at the school house. These "stews" are always of decided enjoyment with the boys.

Miss Sue Covington, of Charlotte, is home with her father, Mr. Hampton Covington for a few days.

The community enjoyed a delightful picnic Wednesday in the afternoon, down on the creek. Swimming was enjoyed, as the boys have fixed a small "lake" down there.

Misses Lelia and Bertha Sinclair and Messrs. Monnie and Wm. Covington journeyed to Raeford, through the country, the 17th, where the Misses Sinclair visited friends and relatives. They returned on Monday, 18th.

Messrs. Aubrey and William Covington went to Greensboro Tuesday, after the latter's sister Miss Lizzie Covington, who has been a student the past six weeks at N. C. C. W., of that city, returning Tuesday afternoon.

BUICK

13,759 Buick automobiles were delivered into the hands of owners in June.

This proves thoroughly that the American public is both willing and able to buy generously where it is assured full, dollar for dollar value, and it demonstrates also that a large percentage of the motoring public does have this buying confidence in Buick performance and Buick worth.
