Everything is in readiness for the opening of school here Monday morning September 9, according to an announcement by C. W. Davis, superintendent, today. Work has been going forward this week in the registration of new pupils, while some of the teachers are preparing their various courses for classroom work before the season starts.

Following is announcement of the schedule for Monday:

Children in the first five grades will report at the buildings they attended last year, except the children who were promoted to the fifth grade from Clara Hearne school. These children will report at Rosemary school Monday morning at 8:20.

All children who are to be in the sixth grade this year are to assemble in the high school auditorium at 8:15 o'clock Monday morning, September 9.

All high school pupils are asked to assemble in the high school auditorium Monday morning at 8:45. We should like for every pupil expecting to enter school to be sure to come Monday morning. We shall operate on a short schedule so as to give pupils an opportunity to get their books Monday afternoon. We shall appreciate it if parents and pupils will make a special effort to get books at the beginning so that we may have a good beginning and the work not be delayed.
