BACKACHE.

Backache is a forerunner and one of the most common symptoms of kidney trouble and womb displacement.

READ MISS BOLLMAN'S EXPERIENCE:

"Some time ago I was in a very weak condition, my work made me nervous and my back ached frightfully all the time, and I had terrible headaches.

"My mother got a bottle of **Lydia E. Pinkham's Vegetable Compound** for me, and it seemed to strengthen my back and help me at once, and I did not get so tired as before. I continued to take it, and it brought health and strength to me, and I want to thank you for the good it has done me."—Miss KATE BOLLMAN, 142nd St. & Wales Ave., New York City.—*$5000 forfeit if original of above letter proving genuineness cannot be produced.*

Lydia E. Pinkham's Vegetable Compound cures because it is the greatest known remedy for kidney and womb troubles.

Every woman who is puzzled about her condition should write to Mrs. Pinkham at Lynn, Mass., and tell her all.

Beware of Ointments for Catarrh That Contain Mercury,

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by Druggists, price 75c per bottle.

He Was a Thoroughbred.

I was coming from my hotel on Christmas day when a little urchin ran up to me with a newspaper. As he ran he fell, and some other boys got ahead of him and tried to sell me a paper; but I refused to buy until the little fellow came up, half crying, with his papers. I handed him half a dollar, and when he reached in his pockets to get the change, I said: "Never mind, sonny. Keep the change." He looked up in my face and said, "Say, mister, you're a torobred." Now that was the only Christmas present I had that day, but to my mind it was the best I could have had.—Capt. Jack Crawford, in the Household.

Place for Complaint.

In a small cafe close to the Grand place, Brussels, the proprietor has had the following notice posted on the walls:

"Customers who find the price of drinks somewhat high are requested to address any complaints they may have to make direct to the minister of finance."

This is an allusion to the tax on alcohol imposed by the minister. As an electioneering device it is almost worthy copying.—London Express.

Consults No One.

The wonderful organizing ability of Mr. J. Pierpont Morgan was being discussed among a party of bankers, when one asked:

"Do you suppose that he originates all his schemes, as a general does his war maneuvers, and then directs his associates to put them in execution, or do you think he first consults his partners and gets their opinions?"

"I do not think that Mr. Morgan ever consults any one," replied the one who assumed to know. "His will is dominant. I am told that even at bridge whist he never asks his partner's permission to play."—New York Times.

A Veteran's Story.

Bath, N. Y., April 13th.—The first consideration of the Commandant and Officers in the conduct of the Soldiers' and Sailors' Home here is the health of the veterans. Kidney Troubles are the most common cause of ailment, very few of the old men escaping these in some form or other.

Of course the comrades do as much as possible for themselves, and one of the most popular and useful remedies employed is Dodd's Kidney Pills, which seem to be almost infallible in cases of Kidney derangements. Indeed there are among the vteterans several who claim to owe their lives to Dodd's Kidney Pills.

For instance, A. E. Ayers, who came to the home from Minneapolis, Minn., was given up by four doctors in that city. He had Bright's Disease, and never expected to live through it, but his life was saved and his health restored by Dodd's Kidney Pills.

His experience has made the remedy very popular among the men, and no one who has used Dodd's Kidney Pills for any Kidney Trouble has been disappointed.

A Case of Misunderstanding.

Two devoted lovers, George and Lizzie, were crossing the fields approaching the pretty town of Bethlehem, Pa. The sounds of the grasshoppers and the katydids filled the air as they came in sight of a church. It was Sunday morning and the congregation was singing a melodious hymn. Lizzie heard it, but George did not, and she said:

"Oh, George, isn't that beautiful?"

He, thinking she referred to the katydids, replied:

"Yes; and they are doing all that with their hind legs."—Philadelphia Public Ledger.

Women and Spoons.

The managers of the Athletic club of this city, taking account of stock after their "Japanese fete," which was the attraction of the regular "ladies' day," found that not only 237 sprigs of artificial apple and chrysanthemum blossoms had disappeared from the decorations, as well as an unknown number of miniature vases and bits of bric-a-brac, but that in round numbers 200 spoons were lacking. It is significant that this property disappeared on "ladies' day." It is still more significant that men have no use for decorative adjuncts, for vases, for bits of china, for small bric-a-brac or for spoons. The inference is unavoidable. All this must have been feminine plunder; perhaps, more politely speaking, feminine perquisites.

COOKING CONTEST.

Right in the Family Kitchens.

The ladies have a champion interested in the betterment of family cooks.

$7,500.00 in cash has been donated by C. W. Post, Chairman of the Postum Cereal Co., Ltd., to be distributed between now and July next in 735 cash prizes to stimulate family cooks to better service.

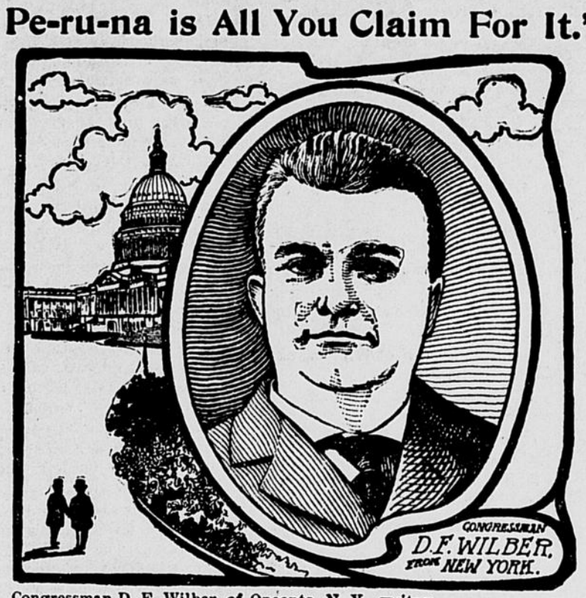
Less burned and greasy meat, and potatoes; less soggy biscuits, cake, etc., and better coffee, Postum and tea is the motto.

The girls are to compete in the preparation of good, everyday dishes and in general cookery. Probably Grape-Nuts and Postum Coffee will come in for some attention incidentally, but the tests will be conducted under the daily direction of the housewife and 735 cooks will win varying cash prizes from $200.00 down to $5.00, no one is required to pay anything whatever to enter this contest and each winner will receive a large certificate or diploma with the big Postum seal in gilt, a badge of distinction much to be sought after. Particulars can be had by addressing Cookery Dept. No. 349 of Postum Cereal Co., Ltd., Battle Creek, Mich.

CONGRESSMAN WILBER SAYS

[To The Pe-ru-na Medicine Co., of Columbus, O.]

"Pe-ru-na is All You Claim For It."



Congressman D. F. Wilber, of Oneonta, N. Y., writes:

The Peruna Medicine Co., Columbus, Ohio:

Pe-ru-na a Preventive and Cure for Colds.

Mr. C. F. Given, Sussex, N. B., Vice President of "The Pastime Boating Club," writes:

"Whenever the cold weather sets in I have for years past been very sure to catch a severe cold which was hard to throw off, and which would leave after-effects on my constitution the most of the winter.

"Last winter I was advised to try Peruna, and within five days the cold was broken up, and in five days more I was a well man. I recommended it to several of my friends and all speak the highest praise for it. *There is nothing like Peruna for catarrhal afflictions. It is well nigh infallible as a cure, and I gladly endorse it."—C. F. Given.*

A Prominent Singer Saved From Loss of Voice.

Mr. Julian Weisslitz, 175 Seneca street, Buffalo, N. Y., is corresponding secretary of The Sangerlust, of New York; is the leading second bass of the Sangerlust, the largest German singing society of New York and also the oldest.

In 1899 The Sangerlust celebrated its fiftieth anniversary with a large celebration in New York City. The following is his testimony:

"About two years ago I caught a severe cold while traveling and which settled into catarrh of the bronchial tubes, and so affected my voice that I was obliged to cancel my engagements. In distress I was advised to try Peruna, and although I had never used a patent medicine before, I sent for a bottle.

"Words but illy describe my surprise to find that within a few days I was greatly relieved, and within three weeks I was entirely recovered. I am never without it now, and take an occasional dose when I feel run down."—Julian Weisslitz.

If you do not derive prompt and satisfactory results from the use of Peruna write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

ECZEMA

Psoriasis, Scalled Head, Milk Crust, Tetter, Ringworm, etc.

Speedily, Permanently and Economically Cured, when All Else Fails, by

Cuticura

The agonizing, itching, and burning of the skin, as in eczema; the frightful scaling, as in psoriasis; the loss of hair, and crusting of the scalp, as in scalled head; the facial disfigurements, as in pimples and ringworm; the awful suffering of infants, and anxiety of worn-out parents as in milk crust, tetter and salt rheum,—all demand a remedy of almost superhuman virtues to successfully cope with them. That Cuticura Soap, Ointment, and Resolvent are such stands proven beyond all doubt. No statement is made regarding them that is not justified by the strongest evidence. The purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the absolute safety and great economy have made them the standard skin cures, blood purifiers and humour remedies of the civilized world.

Complete External and Internal Treatment

Bathe the affected parts with hot water and Cuticura Soap, to cleanse the surface of crusts and scales, and soften the thickened cuticle. Dry, without hard rubbing, and apply Cuticura Ointment freely, to allay itching, irritation, and inflammation, and soothe and heal, and, lastly, take Cuticura Resolvent to cool and cleanse the blood. This complete treatment affords instant relief, permits rest and sleep in the severest forms of eczema and other itching, burning, and scaly humours of the skin, scalp and blood, and points to a speedy, permanent and economical cure when all other remedies and the best physicians fail. As evidence of the wonderful curative properties of Cuticura Remedies and of their world-wide sale, we quote from

The Hon. Mr. Justice Finnemore's Letter.

"I desire to give my voluntary testimony to the beneficial effects of your Cuticura Remedies. I have suffered for some time from an excess of uric acid in the blood; and since the middle of last year, from a severe attack of Eczema, chiefly on the scalp, face, ears and neck, and on one limb. I was for several months under professional treatment, but the remedies prescribed were of no avail, and I was gradually becoming worse, my face was dreadfully disfigured, and I lost nearly all my hair. At last, my wife prevailed upon me to try the Cuticura Remedies, and I gave them a thorough trial with the most satisfactory results. The disease soon began to dissappear, and my hair commenced to grow again. A fresh growth of hair is covering my head, and my limb (although not yet quite cured) is gradually improving. My wife thinks so highly of your remedies that she has been purchasing them in order to make presents to other persons suffering from similar complaints, and, as President of the Bible Women's Society, has told the Bible women to report if any case should come under her notice when a poor person is so afflicted, so that your remedies may be resorted to."
