

# The Nonpartisan Leader

NATIONAL EDITION

OCTOBER 17, 1921

## Notice to Leader Readers

The Leader is PROMPTLY DISCONTINUED to all readers who fail either to renew their Nonpartisan league membership or to send the Leader their subscription money independent of League membership. League dues include subscription to the Leader. When you fail to keep up League dues, the Leader stops. To continue to get the Leader you must either meet your League dues, or send to the Leader direct its regular subscription price.

Readers can find out when their subscriptions expire by reading the label on the paper which goes to you. The figures on the label give the DATE OF THE EXPIRATION OF YOUR SUBSCRIPTION. Thus "11 7 21" on your label means your subscription expires November 7, 1921. The "11" stands for the eleventh month, November, the "7" for the seventh day of that month, and the "21" for the year 1921. If you read the label carefully you can learn when your subscription expires. DO IT NOW!

The subscription price of the Leader, independent of League membership, and without obligating any one to join the League, is \$1.50 per year, or \$3 for two years. If you send us \$4 we will send you the Leader for TWO years and ALSO a copy of "The Story of the Nonpartisan League," by Charles Edward Russell, published by Harper & Bros. It is a fine, cloth-bound volume, illustrated, in large clear type, and contains the TRUE STORY of this great farmers' movement. The regular retail price of this book is \$2. You get it for \$1 if at the same time you send the Leader a TWO YEARS' SUBSCRIPTION, new or renewal.
