Here's the Happy Way to Rid Yourself of Constipation PERMANENTLY!

Bran is the most wonderful health food known! Nine-tenths of human ills would be eliminated if all the people would eat bran regularly, because bran corrects constipation! Constipation can be blamed as the starting point of 90% of the sickness!

Bran in deliciously palatable form—Kellogg's Bran, cooked and krumble—will give permanent relief from constipation if eaten regularly each day. We guarantee that results will prove astounding if at least two table-spoons are eaten daily. Chronic cases should use as much as is needed.

Physicians endorse the use of Kellogg's Bran for constipation. It is not only surely effective as a permanent relief if eaten regularly, but it is the ideal way to correct constipation through food!
