Know what Nature's Food can do for you!

Every man, woman and child addicted to pills and cathartics for constipation should know that Kellogg's Bran, cooked and krumbled, will give permanent relief naturally if they will eat it regularly! Pills and cathartics can never do more than give temporary relief, and at the same time they aggravate the delicate intestinal pathway and pave the way for graver disorders.

Kellogg's Bran, cooked and krumbled, is simply nature's food, and made delicious and appetizing by the Kellogg process. Eat it as a very appetizing cereal or sprinkle it on your favorite cereal or on other food. Your physician will endorse the consistent use of bran for constipation. We guarantee that Kellogg's Bran will give permanent relief to every sufferer from constipation if at least two tablespoonfuls are eaten each day. For chronic cases, eat as much as is necessary.

Kellogg's Bran sweeps and cleanses without discomfort. Its natural mechanical action is wonderful. Ninety-ninths of all human ailments would be eliminated and there would be a new and better race of people if bran was universally eaten daily.

Kellogg's Bran can be used in many delightful foods such as bran bread, pancakes (the best you ever ate), macaroons, etc. See recipes on each package. Buy it at your grocer's.

P. S.—Kellogg's Bran will clear up a pimply complexion and free the breath from obnoxious intestinal odors!
