

Your New Home

should be made artistic, sanitary and livable.

These walls should be Alabastined in the latest, up-to-the-minute nature color tints. Each room should reflect your own individuality and the treatment throughout be a complete perfect harmony in colors.

The walls of the old home, whether mansion or cottage, can be made just as attractive, just as sanitary, through the intelligent use of

Alabastine

Instead of kalsomine or wallpaper

How much better, when you have a new home, to start right than to have to correct errors afterward from former treatment with other materials, when you come to the use of Alabastine, as does nearly every one sooner or later.

Once your walls are Alabastined you can use any material over it should you desire, but having used Alabastine you will have no desire for any other treatment.

Alabastine is so easy to mix and apply—so lasting in its results—so absolutely sanitary—and so generally recognized as the proper decorative material in a class by itself that it is becoming difficult to manufacture fast enough to supply the demand.

Alabastine is a dry powder, put up in five-pound packages, white and beautiful tints, ready to mix and use by the addition of cold water, and with full directions on each package. Every package of genuine Alabastine has cross and circle printed in red.

Better write us for hand-made color designs and special suggestions. Give us your decorative problems and let us help you work them out.

LESSON FOR MARCH 28

REVIEW: THE LIFE WORK OF PETER AND JOHN.

SELECTION FOR READING—Rev. 21:22-25.

GOLDEN TEXT—Go ye therefore and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost; teaching them to observe all things whatsoever I have commanded you; and, lo, I am with you alway, even unto the end of the world.—Matt. 28:19, 20.

ADDITIONAL MATERIAL—John 1:42; 21:15-24; I Peter 1:3; I John 1:1-4.

PRIMARY TOPIC—Two Stories About Peter (Acts 3:1-8; 12:1-10).

JUNIOR TOPIC—Peter and John Winning Others to Christ (material of last quarter).

INTERMEDIATE AND SENIOR TOPIC—Peter and John Compared and Contrasted.

YOUNG PEOPLE AND ADULT TOPIC—Contribution of Peter and John to Christian History.

The review of the quarter's lessons can be profitably made to center in the service of Peter and John, or perhaps better, the activity and power of the risen and ascended Christ manifest in the service of Peter and John.

Lesson 1. Peter Preaches at Pentecost (Acts 2).

Peter proves that Jesus Christ arose from the dead, ascended on high and poured forth the Holy Spirit upon the church; the evidence of it was the unusual behavior of the disciples.

Lesson 2. Peter and John Heal a Lame Man (Acts 3).

This remarkable miracle wrought in the name of Jesus Christ proved that though the Jews had crucified him, he was now alive and continued his work through the disciples.

Lesson 3. Peter and John Witnessing of the Risen Christ Before the Sanhedrin (Acts 4).

As a result the Sanhedrin took knowledge that they had been with Jesus, that is, his life and work were being reproduced in and through them. Being with Christ will: 1. Give an experimental knowledge of him, so that the life will remind one of Jesus. 2. Take away the fear of man. Peter, who a little while ago quailed before a Jewish maid, is undaunted before the august sanhedrin. 3. Open a man's lips. Peter said: "We cannot but speak the things which we have seen and heard." What the heart feels, the mouth must speak out.

Lesson 4. The Risen Christ Vindicating His Church (Acts 1:5-16).

He passed judgment upon Ananias and Sapphira for their hypocritical pretense of generosity. The living Christ knows the intents of the heart; nothing can be concealed from him.

Lesson 5. The Living Christ Saving Men and Women in Samaria (Acts 8:4-25). His sanction of the preaching of the Gospel by Phillip in Samaria is shown by the outpouring of the Holy Spirit. Peter and John were sent by the mother church to confirm the work.

Lesson 6. The Living Christ Healing the Sick and Raising the Dead (Acts 9:32-43).

That Christ is alive is proved by the vanquishing of the dreadful manhood of palsy and the retentive of a corpse by the departed soul. Nothing like this had been known since the days of Christ.

Lesson 7. The Risen Christ Revealing Himself to a Gentile (Acts 10).

Peter testifies to Cornelius that Jesus Christ died for sin and is to be the judge of the quick and the dead, and that everyone who believes on him will receive remission of sins.

Lesson 8. Peter Is Delivered From Prison Through the Living Christ, Sending His Angel to Open the Doors (Acts 12:1-10).

The church prayed for Peter's deliverance and the prison was opened. All power is given him in heaven and in earth; there is nothing too hard for the living Christ.

Lesson 9. Peter Shows the Resurrected Christ as the Head of the Church (I Peter 2:15; 11-25).

Because Christ is alive, those who are joined to him by faith grow. Because of the contact with him they are able to maintain seemingly behavior in the various relations of life.

Lesson 10. Christ Is the Reverter of God's Love (I John 4:7-21).

The proof that Christ is alive is the love of God in the hearts of those who have been born again.

Lesson 11. Christ Is Alive Because He Is Walking in the Midst of the Churches (Rev. 1:4-18).

Lesson 12. In heaven, the crucified, risen and glorified Christ will be the center of worship. All glory and honor are ascribed to him because of his marvelous work of redemption.

If You Need a Medicine You Should Have the Best

Have you ever stopped to reason why it is that so many products that are extensively advertised, all at once drop out of sight and are soon forgotten? The reason is plain—the article did not fulfill the promises of the manufacturer. This applies more particularly to a medicine. A medicinal preparation that has real curative value almost sells itself, as like an endless chain system the remedy is recommended by those who have been benefited, to those who are in need of it. A prominent druggist says "Take for example Dr. Kilmer's Swamp-Root, a preparation I have sold for many years and never hesitate to recommend, for in almost every case it shows excellent results, as many of my customers testify. No other kidney remedy has so large a sale."

According to sworn statements and verified testimony of thousands who have used the preparation, the success of Dr. Kilmer's Swamp-Root is due to the fact, so many people claim, that it fulfills almost every wish in overcoming kidney, liver and bladder ailments; corrects urinary troubles and neutralizes the uric acid which causes rheumatism.

You may receive a sample bottle of Swamp-Root by Parcel Post. Address Dr. Kilmer & Co., Binghamton, N. Y., and enclose ten cents; also mention this paper. Large and medium size bottles for sale at all drug stores.—Adv.

KING HAD SOME IMAGINATION

Wonderful Story of "Waterless Sea" Would Have Done Credit to Baron Munchausen.

Prester John as a title was like the Egyptian Pharaoh and belonged to whole lines of kings who reigned in the East and in Ethiopia in particular. One writer of long ago sets Abyssinia as the kingdom of Prester John. Abyssinia used to be called "Middle India."

It is related that before the year 1241 a letter was addressed by Prester John to Manuel Comnenus, emperor of Constantinople, saying that in Prester John's country there is a "waterless sea," which none have ever crossed. It consists of tumbling billows of sand, never at rest, and contains fish of most excellent flavor.

Three days' journey from the coast of the sand sea is a mountain whence rolls down a "waterless river," consisting of small stones, which crumble to sand when they reach the sea.

Whoever Prester John may have been, if he invented that story, he certainly possessed a vivid imagination and considerable originality.

No Time to Lose.

Timothy approached his lady love timidly, bearing a big fish, which announced its presence subtly, but unmistakably.

"Oh, what a fine cod!" exclaimed Maria, "Wherever did you get it?" "A man at the market gave it to me last week for helping him," replied Tim. "I've been keepin' it for your birthday."

"But my birthday ain't till tomorrow," the girl told him coyly. "I—I know, Maria, but I sort o' wondered if you'd mind keepin' it today, as—well, me and—the fish is gettin' kind of impatient."

MODERN YOUTH HARD TO TRAP

Little Near-Tragedy Story That is an Example of His Quick Wit and Duplicity.

Of course, he shouldn't have done it, and all that sort of thing, but both Hazel and Betty were charming girls, and it was summertime, and he was young, and he had gone and got himself engaged to both of them. He was sitting on the beach pondering the various problems this situation presented, when two soft hands were laid lightly over his eyes and a soft voice whispered at the back of his head, "Guess who?"

Now, the voices of Hazel and Betty were much alike, too much alike when heard as a whisper to make identification sure. And it didn't help any when the voice cooed—"I'll give you a hint—its some one you told you loved."

Still he hesitated, his mind in a whirl. Should he name either girl and chance it? Already he felt a cooling of the air, as the voice continued: "Well, if that doesn't tell you who—"

"Of course I know who it is!" he exclaimed. "It is the prettiest, sweetest, dearest, smartest little girl in all the world!"

"Oh, you dear old boy!" she chirped in satisfied delight. "How did you really know for sure it was I?"

Beginner's Luck.

"Stranger," said Plute Pete, "you've won quite a little money since we began to teach you this game known as draw poker."

"I've had what might be called beginner's luck."

"You sure have. And me and Three-Finger Sam here has decided it's about time to change the entertainment to some kind of a game that you know and we don't."

"Are you going to have any outings this summer?"

"Yes, if I have any innings this spring."
