

BOYS CONTINUED

ACTIVE SPORTS

Continued from Page One.

portant of all activities, when the club conducted its first Water Sports Carnival at the Weymouth Ave. dock. This was in the form of a contest between two teams of about ten members chosen equally from among the club members and their friends—the Maroons and the Whites. The program was certainly interesting and novel, and will probably be followed by others, run on a larger scale and open for boys under sixteen throughout the city.

Following, were the events: Short distance swim, cross country style; Hand Paddling Canoe Race; Fifty Yard Dashes for older and younger boys; Canoe Doubles; Hurry Scurry Race between two picked crews of three, swimming to canoes, climbing

in and paddling back; Team Relay Race; Diving competition; Whale contest—a water tug-of-war battling for a wooden "whale", and finally canoe tilting bouts, between crew of three members, two crews from each team.

Prizes offered by interested Ventnor people, will be awarded at the next club meeting for first and second places in individual scores, and the winning team will be treated to some form of group excursion or other activity.

The Club baseball team will be soon underway in a league competition with two other city teams. This league will probably last until the end of the summer.
