## Saved My Life With Eatonic

Says New Jersey Woman

"I was nearly dead until I found Eatonic and I can truly say it saved my life. It is the best stomach medicine ever made," writes Mrs. Ella Smith.

Acid stomach causes awful misery which Eatonic quickly gets rid of by taking up and carrying out the acidity and gases which prevent good digestion. A tablet taken after meals brings quick relief. Keeps the stomach healthy and helps to prevent the many ills so liable to arise from excess acid. Don't suffer from stomach miseries when you can get a big box of Eatonic for a trifle with your druggist's guarantee.

"As Light as Air."

"I have often been amused at this phrase," writes a correspondent. "It is used by novelists and poets in a manner which suggests that air has no weight. But I doubt if they would like to carry a roomful of air if it was compressed into a dress-suit case. Air weighs 75 pounds a thousand cubic feet, and a room that measures 20 feet long by 10 feet wide by 12 feet high contains 180 pounds of air."

## THE "MOTHER OF THE BONUS"

Friendly Title Assigned to Kansas Woman Member of the Legislature and Called "Legislady."

Mrs. Ida M. Walker, first woman member of the Kansas legislature, is honored by American Legion members of that state with the title of "Mother of the Bonus," for it was Mrs. Walker who drew up and pushed through a state bonus, which grants ex-service men one dollar for each day of military or naval service during the World war.

Although Mrs. Walker cannot qualify for membership in the Legion or in its Women's Auxiliary, she has been a tireless worker for the cause which brought the organizations into existence, and for which they now stand. During the World war she was state director of women's work in the Belgian relief fund and also served as food administrator for her county. The "Mother of the Bonus" also assists her husband in the publication of a weekly newspaper and is a former president of the Kansas Federation of Women's Clubs.

The advent of Mrs. Walker to the legislature resulted in the coining of a new word. At loss to distinguish between male and female members, the recent session decided to refer to women lawmakers or "legisladies."

Among the results of his work are: the passage of bills making Armistice day a legal holiday, protecting the Legion emblem and increasing tax for bonus fund from three-fourths to one mill on taxable property. He also led the fight which resulted in the passage of a resolution urging congress to pass the Fordney five-fold compensation bill, a measure backed by the Legion.

## MILLIONS FOR WAR MEMORIAL

Indiana Legislature Appropriates Nearly \$10,000,000 for Legion Structure at State Capital.

A suitable national headquarters building of the American Legion in Indianapolis was assured with the passage of three bills by the state legislature, appropriating almost \$10,000,000 for a war memorial structure, which will house the Legion's main offices.

Five city blocks in the heart of Indianapolis will be used for the memorial project. The building will be erected in the middle block, with the remaining plots, transformed into a magnificent city plaza. At one exterior of the memorial site is located the Federal Postoffice building, erected at a cost of \$8,000,000. Facing the outer end of the plaza is the \$3,000,000 city library.

Tentative plans for the construction of the buildings are now in the hands of a state commission, of which Postmaster General Will H. Hays is a member. Selection of the architect will be made by the National Institute of Architecture, following a contest in

DR. T. VICTOR KEENE.

which all architects of America have been invited to participate. The legislature set aside a fund of \$100,000 to defray expenses of the contest and to award the artist whose designs and plans are adopted a prize of \$50,000.

Invitations have been issued to national headquarters of the Grand Army of the Republic, the Women's Relief Corps, Service Star Legion, American War Mothers, Spanish War Veterans and Women's Auxiliary of the Legion to occupy quarters in the Memorial building along with the Legion.

To Dr. T. Victor Keene, national executive committeeman of Indiana will go much of the credit for making the war memorial possible. Dr. Keene fathered the movement from its infancy and fought for it when other Legionnaires, although supporting the fight, were fearful of success. Dr. Keene was the first officer of the reserve corps of any branch of service called to active duty during the World war. He was a colonel, medical corps, in command of base hospital 70 overseas.

## LEGION LAWMAKER ALL THERE

Youngest Member of North Dakota Legislature Produces Results for His Fellow Buddies.

To Robert J. Boyd, a member of Gilbert C. Grafton Post No. 2 of the American Legion at Fargo, N. D., goes the honor of being the youngest member of the house of representatives of the North Dakota legislature. He is twenty-five years old.

A former president of the Fargo Trade and Labor assembly and an active member of the Pressmen's union at Fargo, Mr. Boyd was active in support of several bills advantageous to organized labor. He was also a strong advocate of legislation backed by the North Dakota department of the Legion.

Among the results of his work are: the passage of bills making Armistice day a legal holiday, protecting the Legion emblem and increasing tax for bonus fund from three-fourths to one mill on taxable property. He also led the fight which resulted in the passage of a resolution urging congress to pass the Fordney five-fold compensation bill, a measure backed by the Legion.

## The Needle Quick.

He carries a route from one of the News substations. His pals worry a lot because, on the coldest days, he goes thinly clad. One of his pet bits of frugidity is wearing his clothing Scotch style—bare between the shin and knee. It gives the other kids the shivers to see him.

One cold day he blew in at paper hour and, rushing up to the manager at the station exclaimed:

"Gee, I was lucky today, Sully!"  
"How was that, Mac? Did you buy some clothes?"  
"No, I found a brand new fur."  
"No!"  
"Yes!"  
"What kind of a fur was it?"  
"Transfer!"—Indianapolis News.

## WOMEN NEED SWAMP-ROOT

Thousands of women have kidney and bladder trouble and never suspect it.

Women's complaints often prove to be nothing else but kidney trouble, or the result of kidney or bladder disease.

If the kidneys are not in a healthy condition, they may cause the other organs to become diseased.

Pain in the back, headache, loss of ambition, nervousness, are often times symptoms of kidney trouble.

Don't delay starting treatment. Dr. Kilmer's Swamp-Root, a physician's prescription, obtained at any drug store, may be just the remedy needed to overcome such conditions.

Get a medium or large size bottle immediately from any drug store.

However, if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention this paper.—Adv.
