Roy People Tired of Czar Bushkevitz

The Springer Stockman of last week says:—The election which was to be held in Roy on Tuesday, July 26th, did not materialize. Czar Bushkevitz headed the ticket for Mayor, and the stopping of the election by the taxpayers goes to show very decisively, that Mr. Bushkevitz is not the whole cheese in Roy or in the east end of Mora County.

A CITIZEN.

To Whom it May Concern

During the early winter, we got out a pamphlet of Roy Country and surroundings. A. S. Bushkevitz, with whom we have no connections whatsoever, has copied our pamphlet, word for word. We have never been consulted, as to whether he could use the transcription, regardless of that he has copied the very wording, even to our advertisement, the only difference in the pamphlets, his likeness on the the front page, and his name where ours appears. It does seem strange that an individual of Bushkevitz's prolific intellect(?) and resourcefulness would be prompted to copy our literature. We are in no manner connected with that individual in the Real Estate business.

Roy Real Estate & Abstract Co.

The Mensajero (Messenger) printed at Mora, made comment in their last issue, upon its available Republican candidates to the Constitutional Convention, and incidentally mention A. S. Bushkevitz and E. J. H. Roy, from this end of the County. E. J. H. Roy makes the statement that under no circumstances will he allow his name to go before the County Convention. Regarding A. S. Bushkevitz we know not whether he will or will not be a Candidate.

Mrs. T. M. Ogden is in charge of the Oriental Hotel.

On The Fence as Usual

You always hear of the great I Am, incidentally--his great doings and wise sayings. At present he is lauding his exploits while a member of the 38th. Legislative Assembly and how near he came to getting us a County Seat. Forget it. Its a huge joke. Why always bring that up? What did you do? Not a single measure was enacted into a law, that was introduced by you. Can you deny it? Now you are talking County Seat and you really do not know what you are talking about. Some little time ago you were with Mora; now you cannot tell where you are. We guess if there is a few dollars in it, you will go to Wagon Mound. We are always where we have been, with Mora, whether we get a County seat or not. They have our word, we are no traitors.

A FALSEHOOD

Our Contemporary and Candidate for Mayor on the People's Independent Ticket accused us of wilfully neglecting to print their ballots. We wish to state that we had no orders to print any ballots for the People's Independent Ticket. Had we been ordered to do so, the ballots would have been printed. Knowing nothing about the matter as the would-be Mayor does, we dare call his accusation the statement of an unmannerly CUB.

Bible Class

Entertains

The Bible School Association of east Mora County, met with the Pleasant View School, 8 miles east of Roy, Sunday.

These conventions are held quarterly by the Sabbath workers and the one in session Sunday was a most pleasant and successful meeting.

The people of Pleasant View are royal entertainers. The school had built a fine shade covered and surrounded by beautiful pines and cedars. The dinner was a bounteous spread and much enjoyed by all present.
