Pointers For Youth.

Don't get your ideas of married life altogether from the comic weeklies, young man.

Mothers-in-law are often affable. Sometimes they leave you money.

A bride frequently knows how to make biscuit.

And if she doesn't, it is not absolutely impossible to secure a cook. Don't believe all you read in the funny magazines. — Louisville Courier Journal.

HONOR DEFINED.

The sense of honor is of so fine and delicate a nature that it is only to be met with in minds which are naturally noble or in such as have been cultivated by great examples or a refined education.—Addison.

Glory is sweet when our heart says to us that the wreath of honor ought to grace our heads.—Krummacher.

That chastity of honor which felt a stain like a wound.—Burke.

Honor and fame exist for him who always recognizes the neighborhood of the great, always feels himself in the presence of high causes.—Emerson

Winter Doubles Work

In summer the work of eliminating poisons and acids from the blood is helped by perspiration. In cold weather, with little out door work or exercise to cause sweating, the kidneys have to do double work. Foley Kidney Pills help overworked, weak and diseased kidneys to filter and cast out of the blood the waste matter that causes pains in side or back, rheumatism, lumbago, stiffness of joints, sore muscles and other ills resulting from improper elimination. Sold by City Drug Store.
