WHAT CATARRH IS

It has been said that every third person has catarrh in some form.

Science has shown that nasal catarrh often indicates a general weakness of the body; and local treatments in the form of sprays and vapors do little, if any good.

To correct catarrh you should treat its cause by enriching your blood with the oil-food in Scott's Emulsion which is a medicinal food and a building-tonic, free from alcohol or any harmful drugs. Try it.

Kidney Trouble

Jack Matton, Copperopolis, Calif., says: "I had such a severe case of kidney trouble that I thought I would have to give up my business. I took three boxes of Foley's Kidney Pills which quickly relieved me and I have had no recurrence of kidney trouble since." Some days it seems as if you can no longer bear the pain and misery you suffer from kidney and bladder troubles. The ache across your back grows worse with every move you make and every step you take. It just seems to rob you of all strength and energy. Your head aches, you are nervous and worn out, sleep poorly and have no appetite, stomach is upset and bowels irregular. Foley's Kidney Pills reach it until it is finally relieved. They give strength and tone to the kidneys, then strong, active, their action becomes regular and your health returns. Each box you take this great kidney medicine.
