

ROBERT M. MARSHALL, MAYOR IN HIS OWN WRITING FRIENDS

February 15, 1920. On Train From Kansas City to Columbus, Mo. My Dear Friends: I was very much gratified by your kind letter of the 10th inst. I was a member of your town from 1870 to 1880...

As we closed up our place I regretted to see the time as the politics was changing rapidly and I could not see the end in sight. I went to see Sibers and I must say it is great beyond description. I went beyond Lakota about 1700 yards around the south end of Lake Dakota...

I am very well. Kindly remember me to all my friends. With highest regards to your family. Sincerely, ROBERT M. MARSHALL.

Dear Sir— I hereby announce myself as a candidate for re-election to the office of Mayor of Columbus, asking for the office solely in the record I have made.

While I expect to be of greater service to the village in the future than I have been in the past, yet I want it understood that if I am elected, it is without any vain promises.

Because of my duties as mayor and pressing business matters, I shall not be able to make a personal canvass of the voters, so I take this means of informing the public that I shall appreciate their support and assistance as well as their vote.

Very sincerely, J. R. BLAIR.

A. FREDERICKSON— For Member of Village Board. I hereby announce myself as candidate for re-election in the village board of trustees. Said election to be held Tuesday, April 6, 1920.

I solicit all voters to investigate the records for the past two years as to my ability and qualifications for the position, also to see how the distribution of the funds available has been made. I also claim that in connection with the mayor and other committees of putting in a very complete set of books amounting for every dollar received and showing disbursement of same.

I wish to call the attention of all voters to properly select men at this time who will and can handle the bond issue, if carried at this election. This will involve time without compensation, as well as requiring business ability. Therefore, vote for men who can and will spend the time.

I assure all voters that if I am re-elected, I will devote my time to obtaining the best results at the most conservative price in connection with whatever issues may arise.

I further wish to call your attention that having served on the board for the past term is an advantage over a new candidate, being familiar with the past and in line with the issues which will mean much to our town.

On proper investigation, I feel certain I will merit your support. April 6. A. FREDERICKSON.
