THE NECESSITY

FOR THE SPECIALIST.

DR. WAGNER & CO.

We offer no apology for devoting so much time and attention to this much-neglected class of diseases, believing that no condition of humanity is too wretched to merit the sympathy and best services of the profession to which we belong, as many are innocent sufferers, and that the physician who devotes himself to relieving the afflicted and saving them from worse than death, is no less a philanthropist and a benefactor to his race than the surgeon or physician who by close application attends in any other branch of his profession. And, fortunately for humanity, the day is dawning when the false philanthropy that condemned the victims of foul crimes, like the leper under the Jewish law, to die uncared for, has passed away.

YOUNG MEN

Who may be suffering from the effects of youthful follies or indiscretions will do well to avail themselves of this, the greatest boon ever laid at the altar of suffering humanity. Dr. Wagner will guarantee to forfeit \$100 for every case of seminal weakness or private disease of any kind and character which he undertakes to and fails to cure.

MIDDLE-AGED MEN

There are many at the age of 30 to 40 who are troubled with too frequent evacuations of the bladder, often accompanied by a slight smarting or burning sensation, and a weakness of the system in a manner the patient can not account for. On examining the urinary deposits aropy sediment will often be found, and sometimes small particles of albumen will appear, or the color will be of a thin, milky hue, again changing to a dark and corrupt appearance. There are many men who, in this difficult, ignorant of the cause, which is the second stage of seminal weakness. Dr. W. will guarantee a perfect cure in all cases, and a healthy restoration of the genito-urinary organs.

Consultation free. Thorough examination and advice given.
