CITY SUBSCRIBERS. Mr. H. O. Ladd has sole charge of the city circulation of the New Mexican...

WEDNESDAY, AUGUST 11. Come to Santa Fe and enjoy the fine cool weather...

No sickness or increased mortality from hot weather in Santa Fe. Come and enjoy Santa Fe's magnificent and healthy summer climate.

The N.M. Mexican claims the credit of securing the removal of Surveyor Gen. J. H. Ladd...

Well, friend, there is no use hiding one's light under a bushel basket.

Whenever you want to help any part of this territory in real, live, down-to-earth, excellent fashion...

Dakota must be a wonderful country. Two or three weeks ago its wheat crop was a complete failure...

The Bar association of New Mexico would honor itself and benefit the people if it would take steps toward the disbarment of a few of the men who call themselves attorneys...

There seems to be no good reason why a new chief justice, a new U. S. attorney and a new U. S. marshal should not be speedily appointed.

The lead mines at Nueva Leon, Mexico, are reported shut down on account of the new temporary treasury regulation...

The New Mexican is informed that the Mugwumps and Democrats made strenuous efforts to prevent a full vote for delegates to the constitutional convention in Sierra county.

Let us not lose sight of the fact that the senate committee on irrigation will visit New Mexico and Arizona next month.

The people of this territory should be ready to give the senate committee on irrigation a fitting reception.

HERE is a little nut to crack for his honor the chief justice, and presiding judge of the 14th judicial district.

Baltimore, Aug. 13.—Great preparations are making for the celebration of the battle of North Point, September 12.

Identified. Chicago, Aug. 13.—Burke, the Cronin suspect, has been identified by Mr. and Mrs. Carlson, owners of the cottage in which Dr. Cronin was murdered.

Will Resume Work. GALLATON, Pa., Aug. 9.—Mountain miners strike has been settled in favor of the miners.

A Dead Officer. SAN FRANCISCO, Aug. 10.—Capt. Lowell M. C. United States artillery, died at the Presidio yesterday of paralysis.

CATCHING THE RAINFALL.

Major Powell estimates that a reservoir ten feet deep and covering twenty acres is sufficient to irrigate 300 acres of land.

Since evaporation in this country is very great, it would be a mistake to estimate the quantity of water that such a reservoir would supply for actual use.

If this is a correct estimate, the future of the arid region is much brighter than most people have thought.

The Phoenix Herald explains fully why the farmers of Arizona are in favor of statehood or that territory.

The farmers of the Territory of Arizona are in favor of statehood because the general government pays no more attention to their wants than it does to the wants of the farmers of Europe.

The general government has at least one experimental station in every state in the union.
