Stole a Ford.

Two young men who recently drove a Winton-Six into Magdalena, which they sold at a bargain price, entered the Gibbon garage one night last week and made way with a new Ford car owned by G. G. Arimjo. They entered the building by the rear and cranked the car up, coming out the front way, after filling up with gas and oil. The loss was not discovered until morning, giving the thieves a good start. It was learned that the parties headed towards Socorro, and that is the last that has been heard of them or the car.—Socorro Chieftain.
