

Everybody knows that these stores of ours are clothing stores. We want it equally well known that they are just as good shoe stores.

It is hard to move a man from his tried and trusted shoemaker. If the shoemaker gives him fits both in shoes and prices, and the man is willing to submit rather than try experiments, all right. But there are men who pay shoemaker's prices without getting the equivalent in comfort.

Shoemaking has been reduced to an exact science, and there are few feet that do not fit comfortably. Surprising, too, what excellent shoes we sell at from \$3 to \$6.50 a pair.
