Only Natural That a Boxer of McFarland's Class Should Want to Train at Dal Hawkins's Place.

Copyright, 1913, by The Press Publishing Co. (The New York World).

It is quite natural that a lightweight of McFarland's class should like to train at Hawkins's place, aside from the fact that Packey always has trained there for his New York bouts.

NOTES OF A PAID AMATEUR

BY BOZEMAN BULGER. Jim Thorpe Has a Real Test in Facing Curve Ball Pitching by the Minor Leaguers To-Day—We Will See What the Indian Can Do Under Fire.

JIM THORPE has his first real chance to show what he can do under fire to-day, when he will appear in the first exhibition ball game of the year at Dallas, Tex.

It is of some interest to note that Thorpe has been hit by a curve ball, despite the reports that McGraw intends to make an outfielder or a pitcher out of him.

SHAFER IS FULLY PROTECTED. Before "Tilly" Shafer would sign a contract McGraw had to promise him that all the mail coming to the Polo Grounds next season would be consigned to that "scoundrel" named "Tilly".

HAPPINESS IN THE BRONX. Probably the happiest man in New York these days is J. Bentley Seymour, sometimes known as "Cy".

UP THE RIVER THEY "ROAR, ROAR, ROAR." So, more than a hundred oarsmen got the can from Old Father Courtney for kicking about where they should train!

ANOTHER STAR LOST TO VAUDEVILLE. Buck O'Brien, who sang his way around the vaudeville circuit after pitching a losing game for the Hoosiers, has been seen at a recent vaudeville performance.

DENATURED RACING

Nine Dodgers Sail To-Day for Savannah; Last of Highlanders on Way to Bermuda.

The last party of Greater New York major league ball players leaves this city to-day when nine members of the Brooklyn Club will report at Ebbets Field preparatory to sailing for Savannah, whence they will take the train for their training camp at Augusta, Ga.

The last contingent of Highlanders left this city yesterday morning at 1 o'clock by the Royal Mail steamer Arcadian for Bermuda.

Thorpe Out to Surpass Meyers's Batting Record

Great Rivalry Promised in the Giants' Camp Between the Two Redskins.

THERE are now two Indians in the Giants' camp. Chief Meyers, the hardest-hitting catcher in the game, has just arrived.

In and Out of the Training Camps

After being a holdout for several weeks, Larry Dierker, the hard-hitting catcher of the Chicago Cubs, has agreed to a contract with the Giants.

George Rodel Will Be Matched With Kearns

South African Heavyweight Made Great Hit by Knocking Out Art Nelson.

BY JOHN POLLOCK. GEORGE RODEL, the heavyweight champion of South Africa, who made good in his first appearance in a battle in this country by stopping Art Nelson of Chicago in eight rounds at the Fairmont A. C. on Wednesday night, has received many flattering offers for bouts from clubs both in this city and in the West.

Coleman Makes Record Run of 65 at Billiards

A new record for a Class B billiard championship competition was established at Paul's Riverside Academy in Harlem in the eighth game of the present tournament, which brought together H. A. Coleman and Mark Muldrew.

Marquard Will Report.

Rube Marquard, actor and some times baseball player, will report to the Giants at Marlin March 19 for spring practice according to reports from Robert Smith in Syracuse to-day.

JAMAICA WILL HELP IN RACING REVIVAL BUT WON'T HOLD MEET

Indications That Only Belmont Park and Saratoga Will Open This Year.

The Metropolitan Jockey Club, owners of the Jamaica racetrack, came forward to-day with the announcement that they would gladly pay its pro rata share with other racing associations to give racing a new start in New York State this summer.

It seems to be the present plan to hold meetings three days a week at Belmont Park and to race perhaps four days a week at Saratoga. If the attendance is profitable at the Spa the thoroughbreds might go to the post every day in the month of August.
