SAKS & COMPANY Announce for Thursday  
A SPECIAL INTRODUCTORY SALE OF  
**"Derrymade" Aprons**  
at 1.95

—designed and sold exclusively by SAKS & COMPANY

No wonder Marie Antoinette and her court ladies reveled in playing dairy maids when they could wear frocks like these, for quaint flowered cretonnes fashion them, or unbleached muslins with applied bands and motifs of bright chintz or Japanese crepe lend themselves to numberless combinations. The models pictured are—

**Hyacinth**—like an old-fashioned garden in the flowers that adorn it—combined with plain chambray to enhance its charm.

**Felice**—is a happy affair of colorful cretonne, with quaint pockets, and binding of solid color chambray.

**Jasmine**—carries itself quite swaggerly, proud of its creamy tints, and its brightly colored wool embroidery.

**Ancinette**—is refreshing as a garden in June—of flowery cretonne, with pockets and bandings of chambray.

And there is a host of other models, equally charming and original at 2.95 and 3.95.
