

British Flyweight Champion Knocks Out Mickey Russell Before Crowd Which jams the Arena in Jersey City

WILDE OVER RUSSELL IN 7TH ROUND

Welshman Forces Jerseyman's Seconds to Throw in Towel.

AMERICAN IS OUTCLASSED

British Champion Makes Chopping Block of His Inferior Rival.

By CHARLES F. MATHISON. Jimmy Wilde, flyweight champion of the world, made a chopping block of Mickey Russell last night at the Arena A. C. in the Fourth Regiment Armory, Jersey City, and knocked him out within five seconds of the close of the seventh round.

Merritt Monteth, manager of Russell, tossed a towel into the ring in acknowledgment of defeat when Russell was hanging helplessly against the ropes and unable to defend himself.

It was evident before the first round had gone on for a few minutes that Russell had no business in the same ring with Wilde, and the crowd, which was the largest that yet has jammed the club, realized it was only a question of how long the American would stand the hammering. Wilde gave a masterly exhibition of scientific boxing, ring generalship and hard hitting. Russell made spasmodic attempts to retaliate, but the Briton's defense was impracticable.

That all is not well in the camp of Wilde came out after the little Welshman had beaten Russell. Wilde's share of the receipts, said to be \$6,500, was attached through the medium of a court order issued on behalf of George Dwyer. Dwyer many months ago arranged to manage Wilde's tour in this country.

However, when Wilde arrived here he was accompanied by David Hughes, whom he introduced as his manager. From time to time Dwyer and Hughes clashed on various matters, principally that regarding Wilde's fight with Jack Sharkey. Developments led to Wilde's dismissing Dwyer some days ago, so yesterday Dwyer went to the courts to get redress.

Wilde was all over his man in the first round like a copper around a barrel. The Briton hammered Russell with every blow known to pugilism. Lefts, rights, uppercuts and hooks shot out against the Jerseyman's jaw in violent succession and Russell backed away under the shower of blows.

Wilde began the second round in the same way and, with a discouraging succession of lefts to the nose and rights to the jaw, soon had Russell backing away. A heavy left to the nose sent Russell to the ropes and he wobbled painfully. The Jerseyman was weary at the close.

The third round was a repetition of the preceding session. Bleeding at the nose, Russell staggered about the ring, trying to avoid the shower of blows delivered by the more powerful and heavier-handed Briton. The only question being as to how long Russell could last.

Russell took the aggressive for a brief period in the fourth, landing on the body and also jabbing to the mouth. But Wilde soon resumed pounding, all over the ring, and the Jerseyman was in distress at the close.

Wilde tried hard for a knockout in the fifth. He landed at least twenty right hands on Russell's face, but the youngster showed a job Grim jaw and lasted the round. Wilde hammered his man from post to post in the sixth and had him close to a knockout, but the Jerseyman reached his corner.

Wilde weakened his man with heavy body blows in the seventh, and after two minutes and fifty-seconds sent Russell to the ropes with a heavy left. Russell was leaning on the ropes when a towel was thrown into the ring by Monteth after two minutes and 55 seconds.

Chick Keyes, the East Side boxer, scored the sixteenth consecutive knockout when he stopped Abe Goldberger of Brooklyn with a right to the jaw in 2 minutes and 10 seconds of the first round.

While Kohler of Brooklyn outpointed Jackie Sanders of San Francisco in a vigorously contested six round bout. They are lightweight.

For those of Newark defeated Redmond Wilson of Syracuse in an interesting six round encounter.

Young Jack Dempsey of Newark, who resembles the heavyweight champion in looks, earned the decision over Soldier Lewis of Passaic in a spirited six round contest.

Chief Halverson of Buffalo outfought Charlie Evans of Newark in a six round contest.

FLORIO TRIUMPHS IN CRESCENT RING

Beats De Clements in the Feature Bout.

Nick Florio, the Paoliath Athletic Club boxer, last night won the referee's decision over Paul de Clements of the Brooklyn A. A. in the final of the Crescent Athletic Club's amateur boxing tournament.

The ladies met in the final of the 125 pound class, and furnished the best bout of the night. There was little to choose between the pair at the end of the fourth round and after the judges had disagreed twice the referee awarded the honors to Florio.

Abbie Walker of the Patinas A. C. 125 pound class champion, had little to choose with his opponent in the 115 pound class. Walker won his semi-final contest over S. Gettinger of the Clark House in three rounds and defeated H. Brown, another Clark House entry, in the final.

110 Pound Class. Semi-finalists: Leola Clark House A. A. defeated H. Brown, Patinas A. C. in three rounds, stopped by referee. William Murphy, Patinas A. C., defeated M. Lanson, Yungon Club, 1 round, stopped by referee. Final: Murphy defeated Murphy, 1 round, stopped by referee.

115 Pound Class. Semi-finalists: M. Brown, Clark House A. A. defeated A. Schindler, Yungon Club, 2 rounds, judge's decision; A. Walker, Patinas A. C. defeated S. Gettinger, Clark House A. A., 2 rounds, judge's decision.

125 Pound Class. Final: Florio-Nick Evans. Florio, Patinas A. C., defeated Evans, Brooklyn A. A., 3 rounds, referee's decision.

Makes Debut in Eastern Ring.

EAST AND WEST TIED FOR SATING HONORS

McGowan of St. Paul Wins Two Mile Race and Moore Takes the Quarter.

LAKE PLACID, N. Y., Feb. 19.—Eastern skaters cut down the lead of the Western stars of the steel blades in the second day's contests in the international championships here to-day. The Easterners scored heavily, and are now tied or premier honors with 110 points. The Canadians are a poor third with 20 points.

Everett McGowan of St. Paul retained the individual lead. He now has 90 points to his credit. Joe Moore, Lake Placid Club, is second with 50, while Charles Jewtra, representing Lake Placid, is third with 40.

McGowan, who captured first in both events yesterday, took the two mile race to-day, while Joe Moore, former metropolitan champion, crossed the tape first in the 440 yard dash. Although Jewtra skated the fastest time of the day in all of his heats, he was unable to get a place in the final of the 440 and got second in the two mile.

Many close followers of the game believe that Jewtra has been exerting himself too much in his trial heats, and consequently is unable to come through in the finals. It is also noticeable that he is very nervous, which some people lay to the accident he had at Saranac Lake several weeks ago, when in order to avoid a child on the track he fell and broke his nose.

The 440-yard race was the first event decided. Because of the large number of entries it had to be run in ten heats, first two men to qualify for semi-finals. Joe Moore took the first heat easily, and the second heat went to George Pickering of Verona Lake. McWhirter of Chicago got the third and Jewtra had an easy time in the fourth.

In the fifth Hoernig of Cleveland managed to cross the line first by a shade. Horton and Miller had a nip and tuck for the sixth heat. Horton getting the decision by less than a yard.

McGowan beat J. Stelmetsch of Chicago in the seventh heat, and M. Goodman, the best of the Canadian contingent, took the eighth. The ninth heat was another close one, with A. L. Hollander bringing the tape inches ahead of William Stelmetsch. In the tenth heat Al Leitch, former Verona Lake skater, crossed the line well ahead of Russell Demers.

Moore won his semi-final, and then skated off with the title. The sum total in really was ring earnings of the former champion entrusted to the father for rearing.

440 Yard Final for Boys 15 Years Old—First, Carl Parry, Lake Placid; second, Evan Norrick, Saranac Lake; third, Ed. Thompson, Lake Placid. Time, 1:15 seconds.

440 Yard Final for Boys 15 Years Old—First, Carl Parry, Lake Placid; second, Evan Norrick, Saranac Lake; third, Ed. Thompson, Lake Placid. Time, 1:15 seconds.

Nelson Gets \$225,000 Under Father's Will

CHICAGO, Feb. 19.—"Pat" Nelson, former lightweight champion, was named chief beneficiary of the \$225,000 estate of his father, whose will to-day was filed for probate.

The will leaves \$125,000 to "Pat" and distributes the residue equally among his five brothers.

It is said a large part of the estate in reality was ring earnings of the former champion entrusted to the father for rearing.

crossed the line well ahead of Russell Demers. Moore won his semi-final, and then skated off with the title. The sum total in really was ring earnings of the former champion entrusted to the father for rearing.

NO MORE PUBLIC POLO IN NEW YORK

Squadron A Formally Disbands After Playing Game for Nearly Twenty Years.

Squadron A Polo Club, which for nearly twenty years furnished New York with the only polo matches that were open to the public, has disbanded.

Disrupted by the war, its members scattered, and its playing field practically gone, the club that entertained thousands of citizens on the Polo Grounds Park parade ground annually has not been able to get its feet again despite an effort on the part of two or three of the old members to resurrect it.

Its resignation from polo activity has just been handed to the Polo Association.

A. Campbell Smith, who was a member of the squadron polo team that held its last open tournament before the war, attempted to rouse up the old members recently in the hope of bringing about a reorganization of the club.

Undoubtedly the strongest player developed by the Squadron A club is J. Cheever Cowdin, who in polo circles at present is regarded as a contender for a place on the next American international polo team.

Others of note were J. H. Hunt, Joseph Hunt and Alexander D. Pratt. Among those who joined the Squadron A club became inactive are Thomas C. Eastman, Walter B. Eaton and Dr. John Richards.

M'MANIMAN WINS INITIAL CUE GAME

Defeats Steinbugler, 200 to 198, in Class B Tourney.

At least one of England's defenders of the Harrowwood trophy, which series has challenged, will be the largest hydroplane yet built for racing purposes.

According to information just received by the American Power Boat Association it will closely approach if not reach the maximum length of 89 feet 11 inches, and is evidently being constructed to combat successfully the roughest sort of seas.

The defender, which is now being finished at Covey for Sir E. Mackay Edgar, will be named the Maple Leaf V. It is understood that she will be equipped with two very high powered airplane engines, probably of the Rolls-Royce type. One or two other defenders will probably make their appearance before the international event takes place off the late of Wight next summer, but to date the Maple Leaf V. is the only one entered officially.

MOTOR BOAT SHOW WILL OPEN TONIGHT

Exhibition Has Been Attracting Attention Abroad.

The fifteenth annual Eastern motor boat show, which is to run until February 29, will get under way tonight in the Grand Central Palace.

Beginning tomorrow the doors will be thrown open at 10:30 A. M. until 10:30 P. M.

Every one who is in any way in the motor boat world will be present for the opening night, and by Monday, when the meetings and conferences begin, the Western contingent will have arrived.

The National Association of Engineers and Boat Manufacturers, sponsors for the show, will hold its annual meeting on Thursday afternoon, adjourning in time for a dinner at the Waldorf in the evening.

The annual indoor games of the New York A. C. which will be held in the Twenty-second Regiment Armory tomorrow night, will mark the resumption of the famous Harrowwood series.

Among the star players who will measure blades will be Mike Devaney of the Milrose A. A., winner of the event in 1915; Jimmy Connolly of Georgetown, Cubitt of the Boston A. A., New England champion, and Harvey Reed of Yale, whose recent running stamps him as one of the best milers in America.

DEAVANEY WILL RACE

Star Miler to Compete in Games of New York A. C.
