NO CUT IN COMMERCE DEPARTMENT WORK

House Refuses to Reduce Agencies, Restores Attaches.

Special to THE SUN AND NEW YORK HERALD.

WASHINGTON, March 2.—The House by a vote of 210 to 39 to-day refused to sanction partial abandonment or drastic reduction in the Department of Commerce agencies for the development of foreign trade, which was recommended by the House Appropriations Committee.

After two hours debate an appropriation of $165,000, for the continuance during the fiscal year ending June 30, 1921, of those commercial attaches of the Department at the principal business centres of the world, was reinstated in the legislative, executive and judicial appropriation bill. A short time later the appropriation for foreign trade investigations was increased from $175,000 to $325,000, the amount originally asked by the Department.

There is every indication that the amendments will be approved by the Senate.
