

STRANGE, BUT TRUE.

One would imagine that Governor Butler in his fight against the hell-hole at Tewksbury, would be backed by every humane and decent person in the State of Massachusetts. Such, however, is not the case.

WREN'S CANDIDACY.

It is generally understood that Tom Wren of Eureka is once more in the field as a candidate for the U. S. Senate. During Sharon's last campaign Wren was in the field and nine-tenths of the voters of Nevada looked upon him as simply a tail-piece for Bill Sharon.

The most dangerous female Nihilist in Russia is Mile. Finger. She is said to be so beautiful and fascinating that the look of her eyes and the melody of her voice subdues every emissary of the Government sent to arrest her.

Be sure and register so that you may vote at the coming city election. The Dollies are marshaling their forces to take in this small pot.

It now turns out that the story of a meteor falling near Fort Worth, Texas, is a hoax which sprang from the brain of an imaginative Associate Press agent.

It is a thing worth knowing that a jackass won't bray with his tail down, but most men had rather listen to the concert than arrange the tail.

Tuscarora is badly in need of a brick yard. The citizens became convinced of this when in the election riots they were unable to find anything to throw.

Only one hack followed Peter Cooper to his grave, as it was his wish that there be no display at his funeral.

MORSE ABANDONS HIS PASSION PLAY.

Daggett Heard From.

WASHINGTON, April 17.—R. M. Daggett, U. S. Minister resident at Honolulu, has made a full report to the State Department with regard to the alleged shipment from there to the United States of Chinese sugars.

Here Thieving.

WASHINGTON, April 17.—The charges preferred against architect Hill by Representative March were made public to-day. The papers are drawn up in legal form and are quite voluminous.

Coats of Fire.

CHICAGO, April 17.—One of the morning papers, to-day, commenting editorially on the Apollo Commandery affair, inquires why the European trip should have been prepared instead of that across the Rocky Mountains in company with brothers from the other Commanderies.

CHICAGO, April 17.—Congressman Springer of Illinois, who has been in this city since Thursday, was interviewed yesterday in regard to the published statement that the general sentiment of the Democratic leaders who were in attendance at the Iniquity banquet favored Tilden for the standard-bearer of the party in 1884.

CHICAGO, April 17.—Various journals here are discussing the methods observed in burying the paper dead, and the Warden of the County Hospital is made to say that one Cnaffee, County Undertaker, sells seventy-five per cent. of the bodies to medical colleges in this and other cities.

NEW YORK, April 17.—Carpenters generally have secured an advance of wages to \$3.50 per day. The painters are seeking a similar advance.

PRITTSBURG, April 17.—Two hundred tanners, or about half the force employed in the Alleghany tanneries, struck this morning against a reduction of a dollar per week.

BOSTON, April 17.—John F. McGovern, a tanner at Woburn, said that the skin of a negro untanned was brought to the tannery by W. F. Morrison, who wanted it tanned.

CHEYENNE, April 17.—Allen Potter, who came here as a reporter for the Chicago Times to report the meeting of the Stock Growers' Association, but went on a long debauch instead, suicided this morning with morphine.

WHEELING, W. Va., April 17.—Miss Kate Griffith, a school teacher at Martin's Ferry, attempted to correct Wm. Beck, a 15 years old pupil, when he assaulted and beat her brutally, until it is thought, she is fatally injured.

READING, Pa., April 14.—The striking members of the Manhattan Hardware Company returned to work this morning.

Horse Quits.

NEW YORK, April 16.—The evening papers learn from Salmi Morse that he will not attempt to produce the Passion Play. "I shall never put it on any stage again. I bow to the decision of the present."

NEW YORK, April 16.—The evening papers learn from Salmi Morse that he will not attempt to produce the Passion Play. "I shall never put it on any stage again. I bow to the decision of the present."

The Dynamite Policy.

NEW YORK, April 16.—The Sunday Mercury prints a long interview with Professor Mezzobit, Nihilist and head leader of the Irish dynamite party, who arrived from Europe yesterday.

ST. LOUIS, April 16.—Further changes in connection with the amalgamation of the Wabash with the Missouri Pacific were decided on to-day.

NEW YORK, April 16.—The 250th anniversary of the founding of the Society of Jesus and of the establishment of the joint province of Maryland, which embraces Massachusetts, New York, Pennsylvania, New Jersey, Maryland and the District of Columbia, was celebrated to-day with great pomp in the new and beautiful Church St. Francis.

BOSTON, April 16.—The Mayor and Mrs. Palmer dined with the Marquis and Princess this afternoon. About 6:30 the Viceregal party left the hotel for the Boston and Lowell depot.

BUFFALO, April 16.—The following cable dispatch was received by President Moseley of the Irish National Land League from Parnell:

NEW YORK, April 16.—During a fight between some colored and white people at midnight, at 132 Elm street, the balcony on which the men were fighting fell from the second story into the yard.

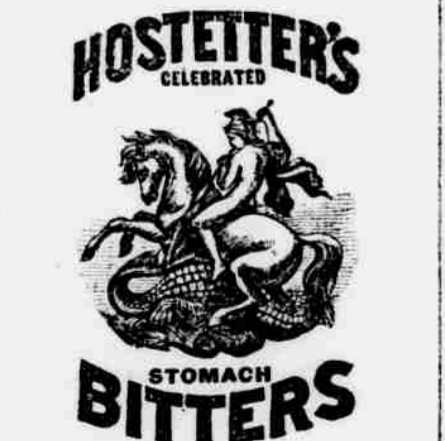

STOUT CITY, Ia., April 16.—During the storm on Friday night the house of a farmer named Diamond, near Danbury, in this county, was struck by lightning, instantly killing a three-year-old child sleeping between the parents.

FOREIGN NEWS.

BOSNIA, April 17.—A Court circular contains the following, written by the Queen herself:

London, April 17.—The Queen left Windsor this morning for O. Bern. Owing to the trouble from her sprained knee she was unable to walk, and had to be lifted into the carriage.

What the great restorative, Hostetter's Stomach Bitters, will do, must be gathered from what it has done.

What the great restorative, Hostetter's Stomach Bitters, will do, must be gathered from what it has done. It has effected radical cures in thousands of cases of dyspepsia, bilious disorders, intermittent fever, nervous affections, general debility, constipation, sick head ache, mental despondency, and the peculiar complaints and disabilities to which the feeble are so subject.
