THE BEST
OF ALL
LINIMENTS
FOR MAN OR BEAST.

When a medicine has infallibly done its work in millions of cases for more than a third of a century; when it has reached every part of the world; when numberless families everywhere consider it the only safe reliance in case of pain or accident, it is pretty safe to call such a medicine

THE BEST OF ITS KIND.

This is the case with the Mexican **Mustang Liniment.** Every man brings intelligence (a valuable horse) saved, the agony of an awful scald or burn subdued, the hurt of some misfortune overcome, and of a thousand-and-one other tragedies and mishaps performed by the old reliable Mexican Mustang Liniment.

All forms of outward ailments are speedily cured by the

MEXICAN

Mustang Liniment.

It penetrates muscle, membrane and tissue, to the very bone, banishing pain and curing disease with a power that never fails. It is a medicine needed by everybody, from the *ranchero*, who rides his

MUSTANG

over the solitary plains, to the merchant prince, and the woodcutter who splits his foot with the axe.

It cures Rheumatism when all other applications fail.

This wonderful

LINIMENT

speedily cures such ailments of the HUMAN FLESH as

Rheumatism, Swellings, Stiff Joints, Contracted Muscles, Burns and Scalds, Cuts, Bruises and Sprains, Poisonous Bites and Stings, Stiffness, Lameness, Old Sores, Ulcers, Frostbites, Chilblains, Sore Nipples, Caked Breast, and indeed every form of external disease.

It is the greatest remedy for the disorders and accidents to which the BRUTE CREATION are subject that has ever been known. It cures

Sprains, Swinny, Stiff Joints, Founder, Harness Sores, Hoof Diseases, Foot Rot, Screw Worm, Scab, Hollow Horn, Scratches, Windgalls, Spavin, Farcy, Ringbone, Old Sores, Poll Evil, Film upon the Sight and every other ailment to which the occupants of the Stable and Stock Yard are liable.

A twenty-five cent bottle of Mexican Mustang Liniment has often saved a valuable horse, a life on crutches, or years of torture.

It heals without a Scar. It goes to the very root of the matter, penetrating even the bone.

It cures everybody, and disappoints no one. It has been in steady use for more than twenty-five years, and is positively

THE BEST
OF ALL
LINIMENTS
FOR MAN OR BEAST.

THE AMERICAN INSTITUTE
—OF—
PHRENOLOGY

INCORPORATED BY THE LEGISLATURE of the State of New York in 1866, will open its Annual Session for 1879 on the first day of October, to continue six weeks. More than a hundred lessons or lectures will be given,

The study of Human Nature, as taught by Phrenology, Physiognomy, and Physiology, constituting a complete Anthropology, is of the first importance to

Clergymen, whose vocation it is to instruct mankind in the formation of character and the attainment of spiritual growth; to

Teachers, who need to learn the nature of the human faculties, and how best to guide and instruct them to act in accordance with clear judgment and sound morality; to

Physicians, that they may understand the mental traits and dispositions of patients and patrons, and how to acquire their confidence and co-operation; to

Lawyers, that they may know what is in human nature, and how to read at once the character of clients, witnesses, and jury, and comprehend the springs of action and motive in those who are charged with crime; to

Statesmen, who are called to enact laws for the proper government and improvement of mankind; to

Merchants and Business Men, who deal with everybody, and ought to know character and faculty, and how to handle it easily, pleasantly, and successfully; to

Parents, who have a vital interest in the proper training, instruction, government, and happiness of children, and therefore need to understand their special traits, and what treatment is best suited to each; to

Young Men and Women, who have to make their way in the world, in self-culture, choice of pursuits, and selection of life companions or business partners, this comprehensive SCIENCE OF FIRST PRINCIPLES has a profitable word to say.

All who desire to become members of a class, this year or next, and all who would like to know what is to be taught in the course of instruction, terms, etc., may address, asking for "Institute Circular,"
