THE PROPRIETORS TAKE GREAT PLEASure in expressing their thanks for the gratifying and unprecedented success which have marked the career of their Institution since its establishment at the Capital, and stimulates them to redowed exertions to meet in the most EFFICIENT MANNER, the rapidly increasing demand for a PRACTICAL AND COMPREHENSIBLE COURSE OF MERCANTILE TRAINING. The great Practical experience of the Principal, in heavy Banking and Commercial Houses, assisted by educated and accomplished gentlemen has enabled him to bring to a degree of perfection a system of counting room instruction, by oral exercises. NOT ATTAINED BY ANY OTHER INSTITUTION.—Each student, by this new process, is drilled at the DESK, INDIVIDUALLY, step by step, until he has mastered the whole routine of an Accountant's duties *as thoroughly as though he had served an apprenticeship in some large Commercial House*; and thus all awkwardness, faltering and egregious blunders are, in a great measure, dissipated.

In addition to our engagement of accomplished Assistants we have also secured the service of, some of the most eminent lecturers in Ohio to lecture on commercial topics.

Our course of instruction is too extended to particularize here, but it embraces every thing connected with DOUBLE ENTRY BOOK KEEPING, with free and full discussion of its Scientific principles—Lectures upon Commercial History, and History of Eminent Commercial Men, Commercial Geography, Commercial Products, Commercial Calculations, Political Economy, Mercantile Law, Ethics of Trade, Partnership &c. &c.

The Ladies Department

Is now opened for the reception of Ladies. No institution in the Union imparts a more thorough or interesting course in this department.

In conclusion, we would add, that we shall put forth our best efforts to merit in a still more eminent degree, the flattering reception with which our enterprise has met and *pledge ourselves to impart a more thorough, practical course of Mercantile Instruction than can be found at any other similar Mercantile College.*

Among the many recommendations, we give the following:

"We the undersigned, take pleasure in testifying that we are personally acquainted with Mr. GRANGER's ability as an Accountant, and teacher of Book keeping, which is of the soundest order. He has had great experience as an Accountant, in heavy Commercial and Banking Houses, which gives him superior facilities in imparting a *practical* knowledge of Book-keeping, and a THOROUGH Commercial education.

To young men who wish to acquire a "BUSINESS EDUCATION," we think it affords facilities seldom equaled. It has now a surplus of means, which the Directors have voted to advertise the above notice. It is needless to add that the Association commands the highest Medical skill of the age, and will furnish the most approved modern treatment. HOLLOWAY'S PILLS.

The blood furnishes the material of every bone, muscle, gland and fibre in the human frame. When pure, it secures health to every ogran; when corrupt, it necessarily produces disease. HOLLOWAY'S PILLS operate directly upon the elements of the stream of life, neutralising the principle of diseases, and thus radically curing the malady, whether located in the nerves, the stomach, the liver, the bowels, the muscles, the skin, the brain, or any other part of the system.

Used Throughout The World!

HOLLOWAY'S PILLS are equally efficacious in complaints common to the whole human race, and in disorders peculiar to certain climates and localities.

ALARMING DISORDERS.

Dyspepsia, and derangement of the liver, the source of infirmity and suffering, and the cause of innumerable deaths, yield to these curatives, in all cases, however aggravated, acting as a mild purgative, alterative and tonic; they relieve the bowels, purify the fluids, and invigorate the system and the constitution at the same time.

General Weakness---Nervous Complaints.

When all stimulants fail, the renovating and bracing properties of these Pills give firmness to the shaking nerves and enfeebled muscles of the victim of general debility.

DELICATE FEMALES.

All irregularities and ailments incident to the delicate and and sensitive organs of the sex are removed or prevented by a few doses of these mild, but infallible alterat'ves. No mother who regards her own or her children's health should fail to have them within her reach.

SCIENTIFIC ENDORSEMENTS.
