

Science Ministering to Enjoyment.

Beauty and the Graces have enlisted Science in their service. While discovery and invention are achieving victories over time and space, to which the fabled exploits of the ancient necromancers were no trifles, they are also learning new charms to the Poetry of Life.

Ladies are not expected to be deeply interested in the improvements of the steam engine, or in the instantaneous conversion of crude into steel; but when chemistry furnishes them such an article as MURRAY AND LANMAN'S FLORIDA WATER, they begin to think that the laboratory is an inestimable institution.

The official returns from nearly all the counties in California had been received, which show Weller's majority over all to be 1,600.

The Boston Evening News bears the following testimony to the long settled policy of the Democratic party in regard to banks and banking:

The Washington correspondence of the Philadelphia Press, under date of the 25th ult., says of Col. Benton:

The bill for the relief of the banks passed by the Pennsylvania legislature legalizes the present suspension of specie payments, designates as the time of resumption the second Monday of April next, and in subsequent sections makes the following provisions:

Section 2 authorizes the collectors of taxes and tolls, &c., and the county treasurers, to receive for State purposes the notes of solvent banks, though not specie-paying.

Later from Havana and California.

NEW YORK, Monday, Nov. 2. The United States mail steamship Quaker City, which left Havana on the 29th ult., arrived here this evening.

The steamer Star of the West, from Aspinwall, had arrived at Havana, and would leave on the 30th ult. for New York. She has \$1,600,000 in gold on board, besides \$500,000 for England.

The shipwreck of the Quaker City. The connecting steamer Golden Gate left San Francisco on the 5th ult. Her machinery became disabled, and she returned to that port on the 10th ult.

The crops were large ahead of the consumption. The onset of the panic in New York created a little surprise.

The Pittsburgh Chronicle, in the following remarks, detracts somewhat from the credit of the last American horse-race triumph in England. It says:

The bill for the relief of the banks passed by the Pennsylvania legislature legalizes the present suspension of specie payments, designates as the time of resumption the second Monday of April next, and in subsequent sections makes the following provisions:

Section 2 authorizes the collectors of taxes and tolls, &c., and the county treasurers, to receive for State purposes the notes of solvent banks, though not specie-paying.

What is to be the "issue?"

Washington correspondent of the F. Y. Commercial Advertiser says: "A party is rising in favor of a national bank of some sort, of a protective tariff, and of a bankrupt law. So the state of things that existed twenty years ago is coming round to us again."

Wood's Hair Restorative. This wonderful preparation is beginning to be known and appreciated in this and the neighboring counties. Its excellence has been attested by the certificates of some of our best and most honorable citizens.

October 15-41. A good article will always triumph over any pretended imitation. It has been said that every city is a paradise of humbugs; but let a really meritorious article, capable of doing all that is promised for it, and it will stand the test of any opposition directed upon itself.
