AUDITORS OFFICE,
EATON, April 21, 1858.

I hereby certify that the foregoing acts are true copies of the original rolls now on file in this office.

JAMES ALBERT, Auditor.

PRAYER was not invented; it was born with the first sigh, the first joy, the first sorrow of the human heart.

To ridicule old age is like pouring in the morning, cold water into the bed in which you have to sleep at night.

AN administrator on the estate of a deceased female in New Hampshire advertises for sale at auction—"The wearing apparel of Mrs. A—— O——, deceased, consisting of one bed, two carpets, and one sleigh."

To give brilliancy to the eyes, shut them early at night and open them early in the morning; let the mind be constantly intent on the acquisition of benevolent feelings. This will scarcely fail to impart to the eyes an intelligent and amiable expression.

MAN'S use and function is to be the witness of the glory of god and to advance glory by his reasonable obediance and resultant hippiness.

PERHAPS in practical life we could not give a better account of faith than by saying that it is, amidst much failure, having the heart to try again.

The hearer perplexed
'Twixt the two to determine—
"Watch and pray," says the text,
"Go to sleep," says the sermon.

IT is not by regretting what irreparable, that true work is to be done, but by making the best of what we are.—Forget mistakes; orguize victory out of mistakes.

SABLE CONUNDRUMS.—"Well, Mr. Snow, I wants to ax ye one question."

"Propel, den nigger."

"Why am a grashop like a counterfeit dollar?"

"Well, Ginger, I gib dat right up."

"Kaze ye can't pass it."

"Yah, yah, yah! Nigger, you can talk so much 'bout your confit dollars, just succeed to deform me why a confit dollar is like an apple pie?"

"O, I drops de subject, and dosn't know nuffin about it."

"Kaze it isn't currant."

"Oh, what a nigger I Why am your head like a bag of dollars?"

"G'way from me—why am it?"

"Kaze dere is no sense (cents) in it."

"CAN you let me have twenty dollars this morning to purchase a bonnet, my dear?" said a wife to her husband one morning at breakfast.

"By-and-by, my love."

"That's what you always say, my dear; but can I buy without money?"

The husband handed over.

SCHOOLMASTER—"Bill Tompkins, what's a widow?"

Bill—"A widder is a married woman what ain't got no husband, koz he's dead."

Master—"Very well. What's a widower?"

Bill—"A widderer is a man that runs arter widders."

RICHES cannot purchase mental endowments.

PROSPERITY is a blessing to the good, but a curse to the evil.

NECESITY has no law, but an uncommon number of lawyers.

REPUTATION is like polished steel—it may be tarnished by a breath.

IF we can still love those who have made us suffer, we love them all the more.

EVERY age, like a field, has to be plowed and sowed anew.

A NOTED burglar has been arrested for having attempted to pick a lock of hair.

EVERY moment of time should be considered a moment of mercy.

Do at the fireside as you would do in the hall. Make no distinction

"Do you follow the Hydrophatic system?" "Not exactly; but I'm sure our milkman does."

IF men praise your efforts, suspect their judgment; if they censure them, your own.

THE woman who had a "fellow feeling in her bosom," sued him for an assault. Poor thing!

"YOUR'E ingrain," remarked a miller to a heap of wheat. And "you're a flowery subject," was the promt reply.

"I'LL pay your bill at sight," as the blind man said to the doctor who had in vain attempted to cure him of blindness.

"WELL, Charley," said a gentleman one day to his boot-black, "how do you get along these hard times?" "Well massa, me *rub* and go."

THE PERFUME
OF THE
WESTERN HEMISPHER
FRESH FROM LIVING FLOWERS.

MURRAY AND LANMANS
FLORIDA WATER.

This rare perfume and cosmetic is prepared from TROPICAL FLOWERS of surpassing fragrance, without any admixture of coarse essential oils, which form the staple of many "Essences" and "Extracts for the Toilet." Its Aroma is as inexhaustable as that of the "Farina Cologne," and as fresh and delicate as the breath of LIVING BLOSSOMS.

What are its Antecedents!

For twenty years it has maintained its ascendency over all other perfumes throughout Cuba, South America and the West Indies. It has been introduced into the United States, in response to the earnest demand growing out of its SOUTHERN REPUTATION. A cure for

HEADACHE AND FAINTNESS!

As an odor for the handkerchief, it is as delicious as the "Otto of Roses." It lends freshness and transparency to the complexion; and removes headache and faitness.

COUNTERFEITS.

Beware of imitations. Look for the name of MURRAY & LANMAN on the Bottle Wrapper and Ornamented Label. Sold by D. T. LANMAN & KEMP, wholesale druggists No. 69 Water Street, New York, and by all druggists, at 50 cents per bottle.

Mothers, Save Your Children.

KEMP'S VEGETABLE WORM PASTILLES
They are infallible for the cure of
INTERNAL WORMS!

The peculiar properties which belong to "Kemp's Lozenges," have never before been combined in any preparation. They are attractive to the eye, as a

Sweatmeat of Delicious Flavor,

rapid, yet harmless in their operation, composed solely of

VEGETARLE MATERIAL,

and require no Mercury to be taken before or after them. They do their work more thoroughly than any of the nauseous Vermifuges of the day.

THE PRIMARY CAUSE OF DEATH

is considered by the most distinguished Physicians, to be worms among children. It is scarcely necessary, therefore, to put mothers on their guard against this insidious complaint or to recommend them to take prompt steps to remove it by the use of the only true remedy, KEMP'S PASTILLES, presented in such a palatable form, that children take them eagerly without coaxing. Sold by D. T. LANMAN & KEMP, 69 Water Street. New York, and by all druggists, at 25 cents per bottle.

INSANITY and CONSUMPTION?

The records of the Insane Asylums, and the melancholy deaths by Consumption, bear ample witness to the truth of these assertions. The countenance is actually sadden and quite destitute—neither Mirth or Grief ever visits it. Should a sound of the voice occur, it is rarely articulate.

A MEDICAL REVOLUTION?
THE WORLD UNANIMOU

HOLLOWAY'S OINTMENT

THE GREAT COUNTER IRRITANT

The virtue of disease often makes its way to the internal organs through the pores of the skin. This penetrating Ointment, melting under the hand as it is rubbed in, is absorbed through the same channels, and, reaching the seat of inflamation, promply and invariably subdues it whether located in the kidneys, the liver, the lungs, or any other important organ. It penetrates the surface to the interior, through the countless tubes that communicate with the skin as summer rain passes into the fevered earth diffusing its cool and regenerating influence.

Skin Diseases and Glandular Swellings.

Every species of exterior irritation is quickly reduced by the anti-inflammatory action of this Ointment. Angry Eruptions, such as Salt Rheum, Erysipelas, Tetter Ringworm, Scald Head, Nettle Rash, Scabies (or Itch) &c., die out, to return no more, under its application.—Hospital experience in all parts of the world proves its infallibility in diseases of the skin the muscles; the joints and the glands.

ULCERS, SORES AND TUMORS.

The effect of this unrivaled external remedy upon Scrofula, and other virulent ulcers and sores, is almost miraculous. It first discharges the poison which produces suppuration and proud flesh, and thus the cures which its healing properties afterward complete are safe as well as permanent.

Wounds, Bruises, Burns and Scalds.

In cases of the fracture of bones, injuries caused by steam explosions, Bruises, Burns, Scalds Rheumatism, Stiffness of the Joints, and contraction of the sinews, it is employed and warmly recommended by the faculty. This marvelous remedy has been introduced by its inventor in person into all the leading Hospitals of Europe and no private household should be without it.

UNDENIABLE TESTIMONY.

The Medical Staff of the French and English Armies in the Crimea have officially signed their approval of Holloway's Ointment, as the most reliable dressing for sabre cuts, stabs, and gun shot wounds. It is also used by the surgeons of the Allied Navies.

Both the Ointment and the Pills should be used in the following cases:

Bunions, Mercurial Eruptions, Swelled Glands, Burns, Piles, Sore Legs, Stiff Joints, Chapped Hands, Rheumatism, Sore Breasts Sprains, Tetter, Chilblains, Ringworm, Ulcers Fistula, Salt Rheum, Sore Throats, Gout Venereal Sores, Scalds, Sores of all kinds, Wounds of all kinds, Lumbago, Skin Diseases,
