Butler in a Blaze.

The wide awake Democracy of Butler county, are up and coming! In every township and precinct they have met together in immense crowds, and heard from the eloquent lips of C. L. Vallandigham the principles of the great democratic party expounded. Shout on! Shout on! we're gaining ground!" and the vote that old Butler will roll up for Vallandigham and the whole State ticket will astonish the hords of negro worshipers in the Third Congressional District!—*Butler Co. Dem.*

Mr. Corwin's Experience.

"At the Carlise depot yesterday, Mr. Corwin said in the presence of gentlemen from whom we have it, "Campbell is beaten." Mr. Corwin spoke from *experience*, having been in the District.—*Dayton Emp.*

☞ We don't know an emptier sound than the rumbling of a hungry stomach.

CHILLS AND FEVER! CHILLS AND FEVER! CHILLS AND FEVER!—One of the greatest remedies that has ever been laid before the public, for Fever and Ague, and which has received the highest ecomiums from the press and the people is DR. J HOSTETTER'S CELEBRATED BITTERS. Who would endure the tortures arising from this terrible disease, when it can be so easily cured? Who would endure sleepless nights, burning fevers, and icy chills alternately, when a remedy can be obtained for a mere trifle? And yet how many families linger out a painful existence under this deadly blight, and do nothing but gulp down quinine, until it becomes as common as their daily meals, and yet they are not relieved. None but the foolish and weak would hesitate to procure those valuable Bitters, and save themselves intense agony.

For sale by Druggists and dealers generally, everywhere.

Sept. 30–4t.

☞ TO THE MILLION.—Dr. Mann of Galion, Ohio, has, after years of deep study and untiring research, succeeded in presenting to the public an article superior to any now in use, and indeed it is truly a wonderful discovery. We advert to his, *Dr. Mann's Ague Balsam*, the only remedy that has ever been found that will effectually drive from the system, without any bad results, chills, fever and ague. It seldom occurs that we notice, under any circumstances, patent or proprietory medicines, restoratives, or any thing of the kind, for we have a prejudice against most of them, but candor compels us to invite attention to the advertisement of this *Balsam* found in another column of this paper. It seems to be a fact admitted by all classes of individuals that have tested it, and found immediate relief therefrom, to far surpass anything of the kind ever offered to the public.—Try it. Sold by all good druggists.

SIXTEEN YEARS IN THE WILDS OF AFRICA.

☞ 1000 AGENTS WANTED TO SELL

Dr. Livingstone's Travels & Explorations During a residence of 16 Years in the Wilds of Africa.

This is a work of thrilling adventures and hair-breadth escapes among savage beasts and more savage men. Dr. Livingstone was alone and unaided by any white man, travelling with African attendants, among different tribes and nations, all strange to him, and many of them hostile, and altogether forming the most astonishing Book of Travels the world has ever seen. All our Agents acknowledge it as the most saleable book published. The most liberal commission made to Agents, in small or large quantities. For particulars, address

J. W. BRADLY, Puplisher,
48 NORTH FOURTH STREET,
Philadelphia, Pa.

Copies sent by mail, free, on receipt of the price, $1.25.

NOTICES OF THE PRESS.

From among the hundreds of favorable notices, from the most respectable journals of the country, of our cheap edition of "Livingstone's Travels and Explorations in Africa," we take the following:

"It abounds in descriptions of strange and wonderful scenes among a people and in a country entirely new to the civilized world; and altogether we regard it as one of the most interesting books issued within the past year."—*Daily Democrat, Patterson, N. J.*

"It is emphatically an edition for the people, and, judging from the rapid sale with which it is meeting, it is fully appreciated by them".—Christian Freeman, Boston.

"The book is having a great run, and will be read by every reading man, woman and child, in this as well as other lands."—Ashtabula (Ohio) Telegraph.

"The work is finely illustrated, well printed, and firmly bound, thus answering in every respect the demand for a popular and cheap edition of the 'Journeys and Researches in South Africa.' Those of our readers who would have a delightful book for reading at any hour, will not be disappointed in this work."—U. S. Journal.

"With truth we can say, that seldom is presented to the reading public a work containing such a vast amount of solid instruction as the one in question The volume is handsomely illustrated, and presents that unique appearance of exterior for which Mr. Bradley's publications are noted."—Fam ly Magazine.

"This interesting work should be in the hands of every one. Its interesting pages of adventures are full of instruction and amusement.—Ten thousand copies, it is stated, have been sold in one month."—Auburn American.

"Dr. Livingstone's Travels and Researches in South Africa appear to great advantage in this edition, which is undoubtedly the edition most acceptable to the reader who reads for practical instruction and amusement."—Saturday Post.

"The edition of Dr. Livingstone's Travels, published by J. W. Bradley, is just what it purports to be. Like all Mr. Bradley's publications, it is excellently gotten up "—Tioga Agitator, Pa.

"We can recommend the edition of Dr. Livingstone's Travels, published by Bradley, of Philadelphia, as every way worthy of public patronage. Its excellence and its cheapness recommend it over all others."—Frank Leslie's Magazine.

CAUTION.—The attention of the Publisher has been called to spurious editions of this work, put forth as 'Narratives of Dr Livingstone's Travels in Africa." Ours is the only cheap American edition of this great work published and contains all the important matter of the English edition, which is sold at six dollars.

WHY IS THE DEMAND SO GREAT FOR

DR. MAN'S

ACUEBALSAM.

Because it will, in all cases, safely and effectually cure that much dreaded scourge of the West—Chills, Fever and Ague—without fail, and in cases will counteract the poison of Malaria, of which fact thousands do testify, and, unlike all other nostrums, it is only recommended for one class of diseases, and as a tonic it is unsurpassed. We will offer a few evidences of its worth, by men of influence and high standing.

Princeton, Ill., Sept 20th, 1857.

DR. MANN—DEAR SIR: For several years past I have used your Ague Balsam in my daily practice, and have closely observed its effects in hundreds of cases, and in no case has it failed to produce the most happy effect. I can most cheerfully recommend it as a certain specine for chills, fever and ague and malarious diseases.

Truly Yours,
H. AUSTIN, M. D.

Marshall, Mich, Feb. 11th 1857.

DR. MANN & CO.:—I have sold a large amount of your Ague Balsam in this vicinity, and from my personal knowledge of it, I believe it the best remedy for chills, fever and ague that has ever been sold in our State.

Respectfully Yours, O. A. HYDE.

Ashtabula, Ohio, January 1st 1858.

MESSRS. S. K. MANN & CO.—GENTS: In canvassing the States of Ohio and Michigan for the sale of the different remedies of which we have control, our attention has been called to observe the great name that your Ague Balsam has gained for itself in every place where sold. It really seems to be THE PEOPLE'S OWN REMEDY, and its sales more rapid than all others. It is destined to supercede all other ague remedies in the market.

Very Truly Yours,
A. & S. HENRY.

New York, Feb. 28, 1858.

MESSRS. S. K. MANN & CO.—GENTS: I have at our house in St. Louis sold your Ague Balsam some three years, and have carefully observed its effects in CURING, and must in all candor say, I do not believe its equal exists in all the world of medicines To my personal knowledge it has cured permanently everytime, and I have known it used, after all other remedies had been tried in vain with the most happy result. And what is more REMARKABLE I have never known a case but what remained cured, for at least that season. I have no hesitation in recommending it as a perfect triumph over chills and fever. Respectfully Yours,

PROF. O. J. WOOD.

BRANDRETH'S PILLS

PURIFY THE BLOOD.

Continued pain or uneasiness in any organ is generally cured by one or more doses of Brandreth's Pills. Thirty years' personal experience by the undersigned fully justify this assertion.

Dr. James Lail, of Potsdam, N. Y., says—"I have cured the most deplorable costiveness of the bowels with Brandreth's pills, when every other remedy had failed, and the patient was given up to die. Skin diseases of an inveterate and painful character, such as erysipelas, salt rheum, tetter and summerheat, I have seen eradicated by their use. I have cured the rheumatic, the epileptic, the paralytic and the consumptive with these excellent pills alone."

In jaundice and all affections of the liver, dyspepsia, dysentery and diarrhœa, pleurisy, sudden pains and inflammations, female obstructions, scorbutic and scrofulous, evergrowing and neuralgic affections, have given way to the use of this medicine, and now after twenty years' experience, my estimation of Brandreth's Pills continues to increase.

OBSTRUCTION.

A young lady beautiful and healthy, took cold, which caused a serious obstruction for two years; her health was broken down and her beauty departed. At length Brandreth's Pills were tried; eleven doses, of from two to four, were taken in fifteen days preceding the usual period. Regularity was restored, and her health and good looks recovered.

WORMS.

Brandreth's Pills are the best vermifuge, they are infallible A little child, six years old, for some weeks was drooping; its mother gave it one of Brandreth's sugar coated pills; the next day there came away a worm sixteen inches long, and as large as a child's finger The child was well.

PLEURISY.

A gentleman, away from home, was taken with pleurisy; the inflammation was terrible; every breath made him writhe with agony. Eight Brandreth's Pills were swallowed, and warm oil applied locally; the pills operated, and the pain was relieved; plenty of gruel was taken, and six more pills, and the second day the patient was cured

These statements should have weight, and prevent the use of poisonous drugs, and stop the sad practice of bleeding.

B. BRANDRETH.

Brandreth's Pills are sold at the Principal Office, 241 Canal street, Brandreth Building, at 25 cents per box; and the same, sugar coated, 13 cents, warranted to keep as well as the plain.

PROF. O. J. WOOD—Dear Sir: Some time last summer we were induced to use some of Your Hair Restorative, and its effects were so wonderful, we feel it our duty to you and the afflicted, to report it.

Our little son's head for some time had been perfectly covered with sores and some called it scald head. The hair almost entirely came off in consequence, when a friend, seeing his sufferings, adv sed us to use your Restorative. we did so with little hope of success, but, to our surprise, and that of all our friends, a very few applications removed the disease entirely, and a new and luxuriant crop of hair soon started out, and we can now say that our boy, has as healthy a scalp and as luxuriant crop of hair as any other child. We can therefore, and do hereby recommend your Restorative, as a perfect remedy for all diseases of the scalp and hair We are, yours respectfully.
