The English Give the Town of Tamai to the Flames.

General Digma Met and Driven Toward Tamai.

LONDON, April 3.—A dispatch from Suakin this morning gives the following account of the progress of events: Graham occupied the heights above Tamai last evening. During the night the rebels fired on Zereba. One soldier was killed and two others were wounded. Early this morning Graham advanced to Tamai, and at seven a. m. took possession of the springs. A dispatch which was filed at Suakin at two o'clock this afternoon, says: Tamai is in flames. British troops occupying the place were one killed and six wounded...

For centuries it has been contended that a cough medicine to be effective must contain morphia, opium, or some other equally dangerous drug...

Downright Cruelty. To permit yourself and family to "Suffer" With sickness when it can be prevented and cured so easily With Hop Bitters!!!

Having experienced a great deal of "Trouble" from indigestion, so much so that I came near losing my Life! My trouble always came after eating any food— However light And digestible.

For two or three hours at a time I had to go through the most excruciating pains. "And the only way I ever got" Relief! Was by throwing up all my stomach contents. No one can conceive the pains that I had to go through, until "At last" I was taken! "So that for three weeks I lay in bed and could eat nothing."

Dr. J. C. Moore, of Wooster, committed suicide by shooting himself in the head. Financial trouble is the cause.
