POLITICS

At Cuyahoga Falls

Beginning to Warm Up—Some Announcements Made.

Cuyahoga Falls citizens have begun to throw their coats and pitch into the spring campaign.

The "wet" element loudly affirms that it will overflow sufficiently to submerge every "dry" candidate and the dry element declares vociferously that it will stretch forth its hands and dry up the enemy, providing a walk-over on dry land.

Messrs. Thomas Francisco and Louis Ulm are slated for Council by the saloon advocates. Mr. E. M. Young is also mentioned as a "wet" candidate for re-election, but he declines to become a candidate upon any grounds, feeling that he has been a Solon long enough.

No announcement has yet been made of candidates who yearn to carry the banner for prohibition.

It is stated the Rev. W. F. Crispin will take a hand in the fight at the Falls.

"I have always used Foley's Honey and Tar cough medicine, and think it the best in the world," says Chas. Bender, a newsdealer of Erie, Pa. Nothing else as good.

GRADUATE

Of Western Reserve University

Died at Cleveland.

J. B. Meriam, aged 74, a well known resident of East Cleveland, suffered a stroke of apoplexy on entering the Union depot yesterday at noon. Hogan & Co.'s ambulance was called, but he died before the Cleveland General hospital could be reached. Mr. Meriam was just on the point of taking a train for Toledo, where he was going to attend a Y. M. C. A. conference.

The deceased was well known as a prominent member of the older group of Cleveland citizens and business men. He has been identified with the growth and prosperity of the city since about 1848. Twenty years ago he was accounted among the most wealthy business men of Cleveland, but since that time he had suffered financial reverses and much of his fortune had melted away. Some of his losses were incurred in an attempt to hold out in a fight against the Standard Oil Co.

He was born in Randolph, O., in 1827. He was educated at Western Reserve college, then located in Hud-

son, and was graduated with the class of '48.

Record Breaking Runs

Being Made on P. & W. R. R.

Trains on the P. & W. railroad have recently been making some very fancy runs. Not long ago one of the fast Cleveland trains traveled 56 miles in one hour. Two stops were made and there was one slow down for a crossing. On another occasion this train broke the record between New Castle Junction and Pittsburg, making the run in one hour and 34 minutes, with four stops and five slow orders. The heavy eight wheel engines that haul the through B. & O. express trains have not been behind in record smashing. On one occasion, when the limited was run over the P. & L. E., owing to a wreck on the P. & W. line, the seven car train was rushed through from New Castle Junction to Pittsburg in 56 minutes. The distance between these points is 54 miles.

VERY LOW RATES.

To western points, Feb. 12, 19, 26, March 5, 12, 19 and 26, via Erie R. R. Don't fail to see W. E. Langdon, agent.

QUICK EXCURSIONS TO FLORIDA.

What a delightful change and transformation is afforded by a winter trip from the Northern belt to Florida, the land of the magnolia and palmetto. The Erie railroad now its connecting great railway systems south with their swift service of modern and palatial trains have made it possible to place the climate of Florida to the doors of shivering humanity of the North in a few hours' time and at remarkably small expense. A charming trip from banks of snow, raging blizzards and zero atmosphere to a summer land, with open fields and luxuriant vegetation, abundant with tropical fruits, flowers and singing birds. It seems impossible to imagine that within our own boundaries such a winter paradise exists so accessible, being reached so quickly and with such ease and comfort.

Round trip and one way tickets by the various routes to Florida and other Southern winter resorts are on sale at all coupon ticket offices of the Erie Railroad company at surprisingly low rates and liberal privileges.

Maps, folders and any additional information will be cheerfully furnished upon application in person, or by letter to Mr. W. E. Langdon, ticket agent of the Erie Railroad company.

FAIR EXCHANGE

A New Back For an Old One—How It Is Done In Akron.

Sometimes the back aches with a dull indescribable feeling, making you weary and restless; sometimes pain shoots across the region of the kidneys and again the loins are so lame to stoop is agony. No use rubbing the back in this condition. You cannot reach the cause. To exchange an old back for a new and stronger one, follow the example of this Akron citizen.

Mr. Henry Gheen of 219 Hickory st., stationary engineer, says: "Doan's Kidney Pills cured my backache and toned and strengthened my kidneys before procuring them from Lamparter & Co.'s drug store and taking the treatment I had a disagreeable sensation in the back of my neck in addition to other symptoms of weakened and irregular kidneys. Doan's Kidney Pills removed these symptoms and I cannot too strongly express my confidence in the remedy. They have responded promptly whenever I resorted to them on the slightest appearance of lumbago."

Sold for 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the U. S.

TOURS TO THE TROPICS.

Every week an Atlas Line Steamship leaves New York for Port Limon, Costa Rica, via Jamaica. The trip of one of these fine steamers is replete with interest. The Island of San Salvador, discovered by Columbus in 1492, is the first land sighted after leaving New York harbor, then Fortune Island, then the eastern coast of Cuba and then Jamaica. The ship stops two days at Kingston, but the passenger may, if he wishes, stop over until the following steamer, or longer if desired. Jamaica will not fail to interest the visitor for an extended period. Continuing the voyage across the Caribbean sea, Port of Colombia, South America, is the next stop. Then comes Cartagena, the old Spanish stronghold of the new world, with its magnificent harbor and its fine old walls and churches. Next is Greytown, Nicaragua, where the canal is to be built, and lastly, Port Limon, Costa Rica, where the cargo of coffee, spices and bananas is taken on for the return trip. Such a voyage may be made in less than thirty days for the round trip and at a surprisingly low cost.
