TO TELEPHONE THE DEMOCRAT CALL NO. 190.

TUESDAY, MAY 23

TRADE MARK OF THE COUNCIL OF AKRON

JUDGE ANDERSON is doing so much wabbling on the telephone question these days that neither the people nor the local telephone monopoly know where to find him.

The City Commissioners can afford to be liberal in granting such street privileges to the merchants and manufacturers as are necessary to making the Free Street Fair a success.

The Fair will be the biggest event of the kind in Akron's history. No favor that the city officials can grant to make the same a success will be withheld.

JUDGING from his change of front upon the telephone question the light must have dawned with more than usual brilliancy upon Judge Anderson between Saturday night and Monday.

This lack of firmness on the part of the governing power is a hardship upon those members of the Board of Commissioners who are expected to make the Judge's dictation their unflinching rule of conduct.

But what are the proxies to do but submit with all the meekness they can command? "Shall the ax boast itself against him that heweth therewith?"

The sincerity of the attacks now being made by the Hanna newspapers upon the trusts was attested by the treatment of Attorney General Monnett in his own county, Crawford, Monday.

A dispatch from Bucyrus says that "Administration and trust influences triumphed at the Crawford County convention and a delegation hostile to the Attorney General was chosen.

Representatives of special interests whose names had been trodden upon by Mr. Monnett in the discharge of his duties, joined in with postmasters and other Hanna appointees to set up the pins against the Attorney General.

The charge is being openly made by Mr. Monnett's friends that trust money was freely used to bring about his defeat.

The convention even refused to adopt an anti-trust resolution, an adjournment being forced by the machine and the submission of the resolution being thus prevented.

As Attorney General Monnett is the only Republican official in the state who has had the courage to fight the trusts, his defeat by "Administration and trust influences" will make the adoption of an anti-trust plank by the approaching Republican convention more of a farce than ever.

THANKED PROVIDENCE. Passengers of the Paris held a Meeting of Thanksgiving at Falmouth. Officers Praised.

FALMOUTH, May 23.—A number of the passengers of the Paris met at the Falmouth hotel last evening to render thanksgiving for their deliverance.

William Rigley of Philadelphia, who presided, said they were all most grateful to Providence, who had stilled the treacherous waters of the channel in the hour of their recent trouble, when the wreck of the Mohagan seemed to welcome all to a similar doom.

The highest praise, he asserted, was due to Captain Watkins and the crew for coolness and promptness and to the coast guards for their heroism.

Baron Oppenheim of Paris and New York asked the company to devote five minutes to silent prayer, the suggestion being immediately adopted, all present standing.

U. S. proposal of W. E. Archer of London, a collection was taken for the coast guards, the sum of £20 being quickly contributed.

NATIONAL PEACE JUBILEE. Celebration Opened at Washington This Morning With Firing of Salutes.

WASHINGTON, May 23.—A national salute about 7 o'clock this morning from the dispatch boat Dolphin, the Washington barracks and Fort Meyer, the ringing of drums and church bells and the tolling of steam whistles started the three days National Peace celebration in this city.

The chief feature of the day was the military and naval parade, which moved from the peace monument about 2 o'clock and was reviewed by the president and his cabinet.

In the evening there will be a display of fireworks at the monument grounds. The decorations are elaborate.

School Superintendent Stricken. CINCINNATI, May 23.—In the midst of the meeting of the board of education, Prof. W. H. Morgan, for 11 years superintendent of the Cincinnati public schools, fell from his chair, stricken with paralysis.

His entire left side is affected and the case is considered very serious.

Met After 43 Years. One Was Three Years Old When They Parted. Two Visitors From Cape Colony, South Africa.

Journey of Thousands of Miles Was Made. Something About Life in Port Elizabeth.

Mr. and Mrs. James Mangold and daughter Maria, of Port Elizabeth, Cape Colony, South Africa, are the guests of Mr. and Mrs. Christ Grad, 128 Sherman st.

Mrs. Grad's sister, They have not seen each other for 43 years. At the time of the separation Mrs. Mangold was three years old.

Mr. and Mrs. Mangold have resided in Port Elizabeth, on the sea coast, for 30 years. It has a population of 34,000. It has a population of 17,000 negroes exist in huts on the outskirts of the city.

Mr. Mangold says they have excellent public schools and colleges and that the majority of the people are well educated. The city is well protected with a corps of 52 policemen.

The buildings are mostly modern in style, some presenting a fine appearance. The temperature ranges from 25 to 35 in the shade. They never have snow or ice.

Mr. Mangold is engaged in selling steam and oil machinery, steam threshing machines, plows and field implements and agricultural sundries, which are imported there from New York city.

Phillip Weyer, a brother of Mrs. Grad, also lives in Africa. He owns one of the largest farms on the continent, on which he has an ostrich colony and a goat ranch. Cloth is manufactured from the hair. The goods are more costly than wool.

The farm is 18 miles long and 16 miles in breadth, making in all 51,000 acres. It requires 75 miles of fence, the way he has the sections divided.

The party left home April 22, on board the Dunvegan Castle, a Scotch steamer. Their first stop was at Madeira, a coaling station. Then they sailed for Southampton, Eng., where they arrived May 12 and transferred to the steamer St. Louis, leaving May 13 for New York.

They landed in the metropolis Saturday. They started at once for Akron, arriving here Sunday morning over the Erie. It was just exactly a month since they left home. In that time they covered 11,074 miles.

Mr. Mangold is especially delighted and impressed with the beautiful scenery in this country. He is also surprised at the dense population of our country.

The visitors will leave in a week for Niagara Falls. From there they will go to New York, from which they will sail for England. Then they will visit in Scotland, Germany.

BARBERS. Insist Upon Proprietors Reducing the Hours of Work.

A committee composed of Messrs. Jos. Winium, Geo. W. Hale and Geo. Iseemann, representing the proprietors of Union barber shops, visited the Journeymen Barbers' union last night to protest against closing the shops an hour earlier than heretofore on Wednesday nights and a half hour earlier on Saturday nights.

The union politely but firmly declined to yield to the protest and tomorrow night the shops will close for the first time according to the new schedule.

"The proprietors will accept the new schedule without further objection," said a journeymen barber today. "The sympathy of the people is with the journeymen in their effort to reduce the hours of work. What tradesmen other than barbers in Akron are required to work 13 1/2 hours four days in the week; 14 1/2 hours on Wednesday and 18 hours on Saturdays. This is the schedule for the barbers. We want to shorten it only one and one-half hours a week. That's not an exorbitant demand; do you think so?"

BETTER Man Than Jeffries. Peter Maher Has That to Say of Gus Ruhlin.

Macons Comment on the Kennedy Match. Art Simms Ready to Meet the Winner of the Leonard-Turner go--Sporting News.

"The Big Swiss Akron Giant, Gus Ruhlin, has gone to California to do battle with the much-vaunted Eldorado, Big Jim Kennedy, says Macon in the Enquirer. I don't mean Kennedy, the former base ball reporter and present sport promoter who is the manager of that other clever Swiss, Frank Erne, but the California big fellow whom some of the Friscoans think is a fictitious come-uppance.

He is not clever, and a stiff puncher as well, Ruhlin is apt to give him what Paddy gave the drum—"a good beating." Maher, speaking of Ruhlin, says: "He's a better man than Jeffries. He went the distance with him and he had a shade the best of the argument. He should have had the verdict. He has a mighty long reach and he can jab with his left to please any man." Peter knows whereof he speaks, for Ruhlin jabbed him until his face looked like a couple of toy balloons. Let us keep our eyes on this match."

Must Consider Ruhlin. O'Rourke says that Sailor Tom will take on Peter Maher for his next battle and will issue a challenge to fight the winner of the Fitzsimmons-Jeffries match, says the World. There are a host of good heavyweights with more or less claim to fight for the championship. The general public will, of course, regard Fitz as champion until he is either defeated or retires from the ring for good. The recent fight of Ruhlin and Maher compels would-be champions to consider both men, while fox "Kid" McCoy is a dangerous rival for any man who aspires to fill Fitzsimmons' shoes. That's the hardest thing to figure on about McCoy. You can't tell where he is, nor how he will land.

Open For All. A few of Akron's pool players have been gossiping considerable about their desire to meet Met Hard, Summit county's champion. They not only are anxious to meet him, but rumor has it that they also have "rolls of coin" to wager on the result. It is needless to say that Mr. Hard is open for all engagements.

Will Play in Youngstown. The team of the Akron High school will play the Rayen school team at Youngstown on Monday, June 12.

Winner Challenged. The following communication speaks for itself: "Sporting Editor DEMOCRAT: "Please announce through the columns of your paper that I challenge the winner of the Leonard-Turner match for a go of any number of rounds for any amount."

"Hoping you will give this your prompt attention, I remain "Yours truly, "ART SIMMS."

Ten Inning Game. The Five Points and Cedar Creek

How Mrs. Pinkham HELPED MRS. GOODEN.

"I am very grateful to you for your kindness and the interest you have taken in me, and truly believe your medicines and advice are worth more to a woman than all the doctors in the world. For years I had female troubles and did nothing for them. Of course I became no better and finally broke down entirely. My troubles began with inflammation and hemorrhages from the kidneys, then inflammation, congestion and falling of the womb and inflammation of ovaries.

"I underwent local treatment every day for some time; then after nearly two months the doctor gave me permission to go back to work. I went back, but in less than a week was compelled to give up and go to bed. On breaking down the second time, I decided to let doctors and their medicine alone and try your remedies. Before the first bottle was gone I felt the effects of it. Three bottles of Lydia E. Pinkham's Vegetable Compound and a package of her Sensitive Wash did me more good than all the doctors' treatments and medicine.

"The first remark that greets me now is 'How much better you look!' and now I believe I never hesitate to tell the cause of my health."—MRS. E. J. GOODEN, ACKLEY, LA.

BECOMING A MOTHER. A Sure Way to Avoid Danger. Every true woman wants to be a mother. It is the dream of womanhood. True happiness can never be known without the blessings a child brings.

Yet the ordeal through which all mothers must pass is one of pain, anxiety and fear, that many a young life is sacrificed because of the inability to undergo the struggle of childbirth. It is not necessary to suffer in bringing new life into the world. By the use of "Mother's Friend," the suffering and danger can be avoided, and the hour robbed of its dread and pain. This remedy is praised by thousands who have written to the inventor, anxious to learn how to avoid the pain and suffering which may be in store for her. The little book, "Before Baby Is Born," will be sent free to any address upon application to the Bradford Regulator Co., Atlanta, Georgia.

U. P. BOARD OF HOME MISSIONS. Remains Applications For Aid after other Matters Considered. PHILADELPHIA, May 23.—The session of the board of home missions and church extension of the United Presbyterian church was devoted to the consideration of the remaining applications for aid under the 15-year limit and reviewing the reports of the sub-committees.

The reports of the committees on special missions and special work, the committee on resolutions and the committee on new work were also discussed.

Schley and Wife Given Reception. OMAHA, May 23.—Omaha society held their respect to Rear Admiral W. S. Schley and Mrs. Schley at the Omaha club last night.

If You Have Pain In Your Back. Let us give you a piece of advice: Pain in the back is an almost infallible sign of kidney disease; a surer sign is the condition of your urine. If you have a pain in your back then look to the condition of your urine. It is easy done. Take a glass tumbler and fill it with urine, after it has stood 24 hours; if it has a sediment, if it is milky or cloudy, if it is pale or discolored, stringy orropy, your kidneys and bladder are in a dangerous condition and need immediate attention, or the consequences may prove fatal.

Dr. David Kennedy's Favorite Remedy is the one medicine that cures all diseases of the Kidneys, Liver, Bladder and Blood, Rheumatism, Dyspepsia and Chronic Constipation and corrects the bad effects of whiskey and beer on the system. It is wonderful how it makes that pain in the back disappear, how it relieves the desire to urinate often, especially at night, and drives away that scalding pain in passing water and in a remarkably short time makes you well and strong. Dr. David Kennedy's Favorite Remedy is sold at all drug stores for \$1 a bottle, or six bottles for \$5.

If you would like to try this wonderful medicine you can do so absolutely free. Send your full name and address to the DR. DAVID KENNEDY, 107 N. 4th St., New York, N.Y., when a free trial bottle, together with a pamphlet of valuable medical advice, will be sent you by mail postpaid, providing you mention the DEMOCRAT, who you write. The publishers of this paper guarantee the genuineness of this liberal offer.

FOR SALE—Ten 1-1-P-A-N-8 for 6 cents at drugstore. One gives relief.

NUMBER NOT REDUCED. General Assembly Would Not Reduce Representation.

M'GUFFERT CASE ON THURSDAY. Made a Special Order For That Day—The Feeling Was That Drastic Action Would Be Taken—Anti-Polygamy Amendments Likely to Pass.

MINNEAPOLIS, May 23.—The Presbyterian general assembly voted down two carefully considered and prepared plans to reduce the membership, one by a third and the other by more than a half. The committee on reduced representation proposed a year ago was secretly given courteous treatment, so pronounced was the feeling against getting farther away from the people.

Two members of the committee presented the two proposed plans—one making the basis of representation 4,000 communicants and the other making the basis 40 ministers in the presbyteries, instead of 24 as at present. Colonel L. F. Hitchcock of the committee argued for the representation by synods, according to membership and declared that there was no doubt that 673, the present membership of the assembly was far too large. It was plain from the interruptions that Colonel Hitchcock was on the unpopular side when he set down expressions of the democratic spirit came out strongly and profusely.

"They call this a mob," said Dr. Page of Topeka. "If it is a mob, God grant that the Presbyterian church, with the bulk of the wealth of the United States in its coffers, if it can not afford a large assembly, and I hope it never will come," cried Dr. George W. P. Birch of New York. "We ought to keep as near the people as we can. The lawless presbyteries now hold the balance of power. I don't know what we would do without them, they hold the balance so true."

Informed by the strength of the opposition, a friend of reduced representation proposed to send the overtone down to the presbyteries, asking their advice. The motion was laid on the table with great acrimony.

Dr. John W. Dinsmore of San Jose offered a substitute motion, thanking and discharging the committee and inviting the members to the lawless presbyteries now hold the balance of power. By a vote of 184 to 168, the assembly decided not to increase from five to ten the number of ministers necessary to constitute a presbytery.

The judicial committee came in with reports on a number of matters, and was granted permission to refer to special committees for trial such cases as required. By a vote of 184 to 168, the assembly decided not to increase from five to ten the number of ministers necessary to constitute a presbytery.

An appeal from the decision of the Indiana synod in regard to the unentitled members of the Lord's Supper was sustained. The appeal of A. M. McCulloch of the synod of Baltimore was recommended to the consideration of the Baltimore synod.

The appeal of Charles S. Lane, from the decision of the synod of New York, will be tried by a special commission.

Dr. W. E. Kirkwood of Emporia, Kansas, stated that he had written a report on the board of education. The report held that the expense of the board was not undue and that it could not be reduced without consolidation of boards, which was not wise. The statement of ministerial education was declared not to be declining, and the day of shrinkage in the number of candidates for the ministry could not be in the past. The re-election of the members of the board whose terms expire this year was recommended. The Chicago annual in overtures calling for a commission to investigate the whole subject of ministerial education were approved by the committee, and it was recommended that a commission of not less than 11 be appointed for that purpose.

The report was adopted intact. Rev. Edward B. Hodge, corresponding secretary of the board of education, addressed the assembly in defense and explanation.

The McGuffert matter was made a special order for Thursday. The feeling was that drastic action would be taken.

The denomination without consolidation of boards, which was not wise. The statement of ministerial education was declared not to be declining, and the day of shrinkage in the number of candidates for the ministry could not be in the past. The re-election of the members of the board whose terms expire this year was recommended. The Chicago annual in overtures calling for a commission to investigate the whole subject of ministerial education were approved by the committee, and it was recommended that a commission of not less than 11 be appointed for that purpose.

Dr. W. Glass of the presbytery of Baltimore was arranging simultaneous meetings for today in the interests of reunion of the elders of the Assembly North in Minneapolis and the elders of the Assembly South in Richmond.

Colonel James Rice of Peoria, Ill., the father of the Peoria overture, aimed at reducing the moderator's power, said he expects vigorously to push his pet measure. Overtures now before the committee on bills and overtures in favor of an anti-polygamy amendment to the national constitution and in favor of expelling Congressman Roberts of Utah from the house of representatives are likely to be passed by the assembly almost unanimously if they get by the committee.

Before the popular meeting last night of the fresh men's board, the largest of the meetings held under the auspices of the assembly, the Rev. H. W. Hulbert of Cleveland, organizer of the movement, raised the \$40,000 indebtedness of the board, announced that subscriptions and appropriations will foot up \$50,000. For the first time in a general assembly, all departments of the Presbyterian church are free from debt. It was announced, however, that every presbytery is expected to pay the portion of the appropriation to it, as all are over above the quota, which says presbyteries will be devoted to opening some of the schools have been closed for lack of funds.

A DEMOCRATIC CONFERENCE. Call of Stone and Johnson. For a Meeting at St. Louis Made Public—Peck Will Not Attend.

MILWAUKEE, May 23.—Edward C. Wall, national Democratic committee man of Wisconsin, made public the call for a conference of members of the national Democratic committee at St. Louis on May 3, which he refused to attend, looking upon the meeting as more than a conference of the ways and means committee.

It was signed by W. J. Stone, who

It said in part: "We are of the opinion that the time has come when the work of organization of the campaign of 1900 should be begun in earnest and actively prosecuted. We believe this work should be carried on not in closed-in strategy, but through the aid of boards, which was not wise. EXCELLENT RESULTS. First of the Cuban Troops Will Receive Their Money on Saturday.

HAVANA, May 23.—The Cuban arms question is apparently nearing a complete and rapid settlement. The payment and dispersal of half the armed bands that have been voluntarily or involuntarily quartered on the country will begin, according to the present program, next Saturday in this city. Governor General Brooke and General Maximo Gomez had what both consider a final interview on the question of surrendering the arms.

Casimiro Aren, who was at one time a member of the staff of the late General Antonio Maceo, disbanded his force of 300 men, who had been stationed near Alquizar, province of Pinar del Rio, the men going quietly to their homes with their arms, resolved neither to accept the money of the United States nor to wait longer in a condition of suspense.

A meeting of the Cuban chiefs in the occident, or western provinces, has been called to consider the situation, and will probably decide to adopt the same course. The staff officers and the general officers who composed the late military assembly still say they do not want money and will not surrender their arms, but their assertions are not regarded as specially significant.
