FOOTBALL.

Akron's Famous Team Will Soon be Re-organized For the Season.

Harold A. Barnhart Mentioned For Manager.

High School Players Begin Practice Work.

Candidates Ordered to Report—Sporting News.

Akron's famous foot ball team will be in the game this fall. Arrangements are already being made to get together and perfect the organization. The first question to be settled is the selection of a manager. It is the general belief that Harold A. Barnhart is the man for the place. If he can be induced to accept it he will give the place. With the splendid reputation established in the last few years, Akron will have no trouble in getting good dates. Practically all of the old men have signified their intention of getting back in the game again this year. The choice of a captain is another early move. Hutchinson, "Old Hutch," as the roustabouts were in the habit of calling him, is undoubtedly the choice of a majority of the players for this responsible position. Practice will begin early and the team will be in splendid condition for the season when the first game is called.

Not His Last.
Peter Maher has commenced to train for his job with Joe Kennedy, which will take place before the Lenox Athletic club. This will be Kennedy's first appearance in the east, but it is safe to say it will not be his last. Maher ought to prove easy for him; then watch out for the Californian.

Candidates Must Report.
All candidates for the Akron High school foot ball team are urged to report for practice at the West Hill grounds Thursday at 2 o'clock without fail.

League Organized.
The Leaguers of Akron have organized for the season. They challenge any base ball team in Akron or surrounding villages for a game.

The players are: Dorn H. F. Bott c, Hoffman p, Heinbaugh 2b, Crile 3b, Funk c, Humberger rf, Washer ss, J. Bott lf, Welsh, Smead, Smith, substitutes.

Money Talks.
AKRON, Aug. 2, 1899.
SPORTING EDITOR:
As Mr. Shipman is doing considerable talking in regard to John Wiese being afraid to give him another road race, I will say as soon as he deposits \$50 with any responsible person it will be covered immediately and he can feel assured that Mr. Wiese will be there to give him a chance to reduce those eleven and one half minutes.

GIVE THE CHILDREN A DRINK
Called Grain-O, it is a delicious, appetizing, nourishing food drink to take the place of coffee. Sold by all grocers and liked by all who have used it because when properly prepared it tastes like the finest coffee but is free from all its injurious properties. Grain-O aids digestion and strengthens the nerves. It is not a stimulant but a health builder and children as well as adults can drink it with great benefit. Costs about one-fourth as much as coffee. 15 and 25c.

SLASHED

Across Neck and Hand by Vicious Negro.

James McFeeley Seriously Injured—Object of Attack Is Unknown.

James McFeeley of 117 South Prospect st., cook at the Bank cafe, was assaulted Tuesday night about 12 o'clock in front of the Buchtel hotel and severely injured. He was walking down Mill street when a negro stepped up to him and addressed him in an insulting manner. McFeeley told him to go away, whereupon the negro struck him, knocking him down. When McFeeley had risen to his feet the negro drew a knife and cut him on the neck and hand. The cut on the neck was six inches long and pretty deep. The cut on the hand was also deep. Several persons were standing by and the negro was taken away. He started to run up Maiden Lane alley. McFeeley was taken to the office of Dr. Harry Todd, Central office building, corner Main and Mill sts., and injuries dressed. The cut on the neck required six stitches and that on the hand four. The assaulted man did not recognize his assailant. He had no acquaintance with him, nor had they had any trouble. The negro's action did not indicate that his intentions were to hold up McFeeley. What his object was is not yet explained. The police started to hunt the negro and found him Wednesday forenoon. He was brought in by Officer John King between 10 and 11 o'clock and lodged in the city prison. "Bill" Hall is the negro's name.

NO CHANGE
In Models For Next Year's Bicycles.

National American Company Refused to Enter the Trust.

The National American Cycle Co. is busy closing up the books for the year. While the business done during the year just ended has not been as large as might be hoped by the company, yet there is not much room for complaint, considering the season, which was very late. The total output of wheels will aggregate 10,000. The National American company's wheels have enjoyed a fine reputation this year, and indications are that if next season is favorable an exceptionally large business will be done. Secretary and Treasurer Chas. H. Baker of the company says that the models for 1900 will not differ much from those of 1899. About the only change will be in the ornamental work. Plain, rich colors will take the place of fancy designs in transfer work. The Bicycle Trust of America will hold its annual meeting in New York Thursday. The meeting will be for the purpose of electing new officers. It is an item of importance to know that the National American Cycle company has enthusiastically placed itself on record as being against the trusts. Repeated efforts have been made to get the company to go into the trust, but without avail, the management much preferring to conduct the business on an independent scale. During the past season the National American Cycle company has given employment to about 300 men. At present the force of men at work is reduced greatly, owing to the fact that the busy season is ended. The employees were kept working about two months longer than was the case at other bicycle factories throughout the country. Work will be resumed about the middle of September, when a busy run will continue until the close of next season.

STATE MEETING
Of Order Chosen Friends—Will Select Delegates.
The state business meeting of the Order of Chosen Friends is in progress in the parlor of the Empire house. About 30 delegates are present and secret council is being held. Only routine business was transacted in the forenoon's session. The main purpose of the meeting is to elect delegates to the Supreme Council meeting at Indianapolis, Ind., in the near future.
