HELMBOLD'S GENUINE PREPARATIONS.

HELMBOLD'S HIGHLY CONCENTRATED COMPOUND FLUID EXTRACT BUCHU.

For diseases of the Bladder and Kidneys, Obstructions of the Urine, Chronic Gonorrhoea, Strictures, Gleet, Weaknesses, and all diseases of the Sexual Organs, whether in Male or Female, from whatever cause they may have originated and no matter of how long standing.

If you have contracted the terrible disease which, when once seated in the system, will surely go down from one generation to another, undermining the constitution and sapping the very vital fluids of life, do not trust yourself in the hands of quacks, who start up every day and fill the papers with falsehoods, too well calculated to deceive the young and those not acquainted with their tricks. You can not be too careful in the selection of a remedy in these cases.

The Fluid Extract Buchu has been pronounced by eminent physicians the greatest remedy ever known. It is a medicine perfectly pleasant in its taste and very innocent in its action, and yet so thorough that it annihilates every particle of the rank and poisonous virus of this dreadful disease; and, unlike other remedies, it does not dry up the disease in the blood.

Constitutional Debility, brought on by self-abuse, a most terrible disease, which has brought thousands of the human race to untimely graves, thus blasting the brilliant hopes of parents, and blighting in the bud the glorious ambition of many a noble youth, can be cured by this Infallible Remedy. And as a medicine which must benefit everybody, from the simply delicate to the confined and despairing invalid, no equal is to be found, acting both as a cure and preventive.

HELMBOLD'S HIGHLY CONCENTRATED Compound Fluid Extract of Sarsaparilla.

For Purifying the Blood, removing all diseases arising from excess of Mercury, exposure and imprudence in life, chronic constitutional disease, arising from an impure state of the Blood, and the only reliable and effectual remedy known for the cure of Scrofula, Salt Rheum, Scald Head, Ulcerations of the Throat and Legs, Pains and Swellings of the Bones, Tetter, Pimples on the Face, and all Sealy Eruptions of the Skin.

This article is now prescribed by some of the most distinguished Physicians in the country, and has proved more efficient in practice than any preparation of Sarsaparilla yet offered to the public. Several cases of secondary Syphilis, Mercurial and Scrofulous diseases have entirely recovered in the incurable wards of our public institutions which had for many years resisted every mode of treatment that could be devised. These cases furnish striking examples of the salutary effects of this medicine in arresting some of the most inveterate diseases, after the glands were destroyed and the Lones already affected.

Notice.--Letters from responsible Physicians and Professors of several Medical Colleges, and certificates of cures from patients will be found accompanying both Preparations.

Prices, Fluid Extract Buchu, \$1 per bottle, or 6 bottles for \$5.

" " " Sarsaparilla, same prices, equal in strength to 1 gallon Syrup of Sarsaparilla.

Prepared and sold by H. T. HELMBOLD, Chemist, 263 Chestnut-st., near the Girard House, Philad.

To be had of LECK & HAMILTON, Perryburg, Ohio, and of druggists and dealers everywhere.

All letters directed to the proprietor or agents receive immediate attention. [June 16]
