I tried different things and received no benefit until a friend persuaded me to try Dr. Burdick's Kidney cure. I sent and got one bottle; before that was half gone I felt a change. One bottle removed from my body and limbs fifteen pounds of water, which had been very badly swollen. I used twelve bottles and was entirely cured, and never had any return of the disease since. I would recommend this medicine to all suffering with kidney or liver trouble, to which I owe my life.
