PENFIELD.

Our Center schools closed for the summer vacation, on Friday last.

Mrs. Fannie Auble, of Spencer River Corners, visited at A. W. Denham's the first of the week.

Memorial services will be held in the Congregational church at 10:30 on Sunday next, sermon by Rev. Long, pastor of the Methodist church.

Decoration day services will begin at 2 o'clock, to enable our people to visit other town services in the afternoon. W. L. Denslow, resident pastor of the Congregational church who has just supereeded Rev. W. J. Jacobs, will deliver the address.

Our people are all agog with enthusiasm over Decoration day at present.

It is hoped that the G. A. R. Post from Wellington will honor us with their comradeship on this occasion.

W. L. Denslow, Congregational pastor, will deliver the address. The Sabbath last past was Mr. Denslow's first as resident pastor, Mrs. Denslow having joined him last week, accompanied by two charming Masters Denslow. Our people all seem much pleased with their new minister.

The ministerial reception at Fred Gott's on Thursday evening, the 18th inst., was well attended, the house being so full that our hospitable hostess found it utterly impossible to set tables, and was forced to content herself with offering her numerous guests a "lap supper," which was very nice and well served.

Quite a number of our M. E. brethren attended, and all seemed to enjoy themselves hugely.

Married—In Penfield, on Wednesday evening, the 17th inst, at the home of her parents, Mr. and Mrs. P. D. Dalgleish, Miss Vira Dalgleish to Mr. Irvine Gallatin. The wedding was well attended, quite a large house full present despite the warring elements which seemed so fiercely bent on keeping the guests away. The parlor in which the ceremony was performed was tastefully decorated with hawthorn and ferns, and all arrangements were thoroughly made and well carried out. No ring-dropping or other awkward "contretemps" occurred to mar the felicity of the occasion, and to use the old hackneyed expression "all went as merry as a marriage bell." We hope and trust the old poetic prophesy, "Happy the bride that the sun shines on," followed by its less happy prognostication, "Unhappy the bride that the rain falls on," may not prove true in this instance; for the jolly old sun never gave us a single view of his genial countenance the entire day, while the rain surely did its prettiest endeavors to spoil the festivities. However, for once the weather got beautifully "left." The young couple will make their home in Congress, we are informed. A number of valuable and tasteful presents were on exhibition, showing the fair bride was not forgotten by her friends and relatives. The Smith road boys also furnished a "tin pan serenade," free gratis, which was thoroughly enjoyed by all present, being finally put an end to by the groom setting up the cigars. After which the boys retired in good order. It was their way of showing their good will to their old playmate, Mr. G., and if a trifle overpowering was at least sincere. It was both "loud and deep."

Mrs. Lester Richmond, of Medina, and daughter Vic, and Mrs. Jane Dale, of Oberlin, were present, despite the bad weather.

Mr. William Taylor, of Iowa, is at present visiting his brothers, H. D. and C. A. Taylor, as well as many other friends and relatives in our little burg.

We saw Mrs. Watt Starr, of Elyria, in town last week. She is much missed here, being a steadfast church worker, and a hard "pusher" at anything she undertakes. We hope she may find new friends to appreciate her talents as did the old in Penfield.

I was reading an advertisement of Chamberlain's Colic, Colera and Diarrhoea remedy in the Worchester Enterprise recently, which leads me to write this. I can truthfully say I never used any remedy equal to it for colic and diarrhoea. I have never had to use more than one or two doses to cure the worst case with myself or children.—W. A. STROUD, Popomoke City, Md. For sale by Near & Wells.

BRIGHTON.

We forgot to mention last week the meeting of the Ladies' Society with Mrs. M. E. Seeley. It was one of the society's meetings, and the hostess spared no pains to make it pleasant for her guests.

Rev. T. L. McConnell will deliver a memorial sermon at the M. E. church next Sunday morning.

Decoration day will be observed here at 10 o'clock a. m. The speaking will be done by home talent, mostly by the children. Committtee on music, Rev. and Mrs. McConnell; martial music, G. W. Greene. Committtee on flowers and decoration, Misses Alice Hart, Jennie Herbert, Jessie Everson, Blanche Kaufman, Ida Mills, Anna Allyn, Jennie Stocking, Grace Day, Ethel Burge, Mabel Manning, Mr. and Mrs. E. A. Griggs, and the Misses Storrow.

The Pomona Grange of Lorain county will meet with Brownhelm Grange on Saturday, June 10, 1899. Patrons from their part of the county are urged to attend, as it will be an important meeting, and Brownhelm Grange will entertain the visitors royally. C. E. FOX, Secretary.

"A word to the wise is sufficient" and a word from the wise should be sufficient, but you ask, who are the wise? Those who know. The oft-repeated experience of trustworthy persons may be taken for knowledge. Mr. W. M. Terry says Chamberlain's Cough Remedy gives better satisfaction than any other in the market. He has been in the drug business at Elkton, Ky., for twelve years; has sold hundreds of bottles of this remedy and nearly all other cough medicines manufactured, which shows conclusively that Chamberlain's is the most satisfactory to the people and is the best. For sale by Near & Wells.

Mr. and Mrs. D. D. Gott and daughter called on Elyria friends Sunday.

The commencement exercises of the LaGrange High School for 1899 are things of the past. This institution has just closed a successful year—successful in almost every respect. The increase in the enrollment of students is 10 per cent over that of last year. The reputation of our school is made, and is steadily on the increase, while friends of the school are constantly increasing in number. The exercises of commencement week showed what the institution is accomplishing under the management of Prof. H. O. Merriam.

The annual commencement exercises of the LaGrange high school were held in the City Hall Friday evening, May 19. The class of '99 has concluded its work and received their diplomas. The stage was handsomely decorated with palms, ferns, cut flowers, and the class and national colors. The crowd, an immense one, was orderly and intelligent. The exercises passed off pleasantly from beginning to end. Every one was satisfied and happy. It was a bright gathering. It showed progress and advancement. The plane of scholarship, as shown by the orations, was highly creditable alike to faculty and students. The speaking was clear, brisk, and to the point.

The following programme was rendered:

Music, LaGrange Orchestra; music, "We Meet Again," Phreno Mole Quartette, of Berea; invocation, Rev. W. E. Lyon; music, "When the Day Fades," quartette; salutatory, "Character is Greater Than Wealth," was delivered in a very pleasing manner by Ethel B. Clark; music, "A Medley," quartette; oration, "Concentrated Energy," by LeRoy A. Freeman, was full of thoughts properly composed and well rendered, which showed his full understanding of the selection; music, orchestra; oration, "Decision," by Frank R. Wilkins, was one of the best on the program. He treated the subject in a philosophical manner, and pleaded for the cultivation of that habit; music, "Juanita," quartet; oration, "The Needs of Yesterday and To-Day," by Charles E. McKisson, won the hearts of the audience by his noble thoughts. His voice is full and rich, and gives promise of great achievements in the future; music, "The Jolly Blacksmith's Lay," quartette; Esther M. Dale was valedictorian, and her theme, "One Unwavering Aim," was an interesting production and was delivered in a graceful style, and should prove inspiring to all who heard it; music, "Alma Mater," quartette. In a short address that should not be soon forgotten, Prof. H. O. Merriam presented the diplomas. Music, orchestra. A. R. Webber, of Elyria, delivered a helpful and inspiring address on the subject, "Our Boys." He emphasized the need of a temperate life as a means of success, for in business life we must be strong in mind and body to perform the work that is before us. The man who is to win in the struggle of life is he who can do honest, hard work, do it well, and stand it long. It was an able and scholarly discussion. Music, "Until the Dawn," quartette. Music, orchestra.

That is the one infallable remedy for all lung, throat or bronchial troubles. Insist vigorously upon having it if "something else" is offered you.

SPENCER.

Rev. W. J. Gray, who came from Michigan to preach the baccalaureate sermon, made an all too short a visit to his former parishioners in Spencer, returning last Tuesday.

The commencement exercises last Friday evening were very largely attended. The town hall was crowded to its utmost and many went away. The performances were a brilliant success. Five young men formed the class of '99, and Spencer has just reason to be proud of its schools. Receipts were $46.

The L. O. T. M. furnished the alumni banquet Saturday evening, and all who participated were highly pleased. The literary program which preceded the supper was very interesting and profitable. An invitation has been extended to all the children in the township to come and assist. The ladies are to meet at the hall at nine o'clock to make wreaths and bouquets, and any one having flowers is requested to send them there. Happy is the man or woman who can eat a good hearty meal without suffering afterward. If you cannot do it, take Kodal Dyspepsia Cure. It digests what you eat and cures all forms of dyspepsia and indigestion.

DR. J. W. HOUGHTON.

BE SURE.

Be sure you need medicine before you take it, but having once found out that you need it—lose no time in getting the best. If it's for the Kidneys, Liver, Bladder or Blood, Rheumatism, Dyspepsia or for Chronic Constipation, the best is Dr. David Kennedy's Favorite Remedy, and a very simple way to find out if you need it, is to put some urine in a glass tumbler and let it stand 24 hours; if it then has a sediment or a milky, cloudy appearance; if it is ropy or stringy, pale or discolored, you do not need a physician to tell you that you should take Favorite Remedy at once. It speedily cures such dangerous symptoms as pain in the back, frequent desire to urinate, especially at night, burning scalding pain in passing water, the staining of linen by your urine and all the unpleasant and dangerous effects produced on the system by the use of whiskey and beer. All reliable druggists sell Dr. David Kennedy's Favorite Remedy at $1.00 a bottle, or 6 bottles for $5.00.

By a special and particular arrangement with the manufacturers, our readers can try this grand medicine absolutely free. By simply sending your full name and post office address to the DR. DAVID KENNEDY CORPORATION, Rondout, N.Y., mentioning this paper, when a trial bottle of Favorite Remedy, together with a pamphlet of valuable medical advice, will be sent you by mail postpaid.

The publishers of this paper guarantee the genuineness of this liberal offer.

Is Baby Too Thin?

If so, there must be some trouble with its food. Well babies are plump; only the sick are thin. Are you sure the food is all right? Children can't help but grow; they must grow if their food nourishes them. Perhaps a mistake was made in the past and as a result the digestion is weakened. If that is so, don't give the baby a lot of medicine; just use your every-day common sense and help nature a little, and the way to do it is to add half a teaspoonful of

SCOTT'S EMULSION

to the baby's food three or four times a day. The gain will begin the very first day you give it. It seems to correct the digestion and gets the baby started right again. If the baby is nursing but does not thrive, then the mother should take the emulsion. It will have a good effect both upon the mother and child. Twenty-five years proves this fact.
