## There is No 'T' About It.

No question indeed with those who have used it, but that Foley's Kidney Cure is absolutely reliable for all kidney and bladder diseases. W. H. Tissot & Co.

## PENFIELD.

The Fourth of July passed off pleasantly with us, our townsmen turning out quite a respectable assemblage at our township picnic. To be sure a small percentage of the population went farther afield in search of the amusement they would have enjoyed better at home. After all, enough attended to make a success of our modest picnic, and over a hundred hungry citizens sat down to the table to enjoy the viands our careful housewives had prepared for their delectation, and we may add further that no one was disappointed. After all had dined, those present had the pleasure of listening to and joining in the singing of several appropriate hymns, after which Rev. W. L. Denslow gave us a dissertation on the Fourth of July, and read the Declaration of Independence.

Hugh Chambers fell from a cherry tree injuring himself severely, but not dangerously.

W. J. Krebs was in Lodi last Friday.

M. G. Starr was in Elyria Saturday.

R. L. Denham, of Rochester, visited his parents on Sunday.

Rev. Chapin from Litchfield, occupied the Congregational pulpit of this place. Rev. W. L. Denslow, resident pastor occupied Mr. Chapin's pulpit in Litchfield, and judging from appearances, the exchange was mutually agreeable. Mrs. Chapin accompanied her husband and our people seemed much pleased with the kindly gentleness and pleasant social qualities of both, and it is to be hoped we may have many opportunities of becoming better acquainted in the near future.

Mrs. Milo Jackson, who has been very dangerously ill all winter and early summer, is at present writing, the guest of her mother, Mrs. D. Huffstetter. Mrs. Jackson's family physician thinks it best that she be removed from her home, temporarily, as it seems utterly impossible for a woman of her temperament and industrious proclivities, to sit with folded hands, and see another doing the work that was formerly her daily task and pleasure. It is to be hoped that a season of rest may enable this busy mother and wife to resume the place that no one else can fill acceptably in the bosom of her loved and loving family.

Alton Nichols and George Faetz, from Troy, are visiting the family of H. Newton, the former's uncle.

## BE INDEPENDENT.

You can tell just as well as a physician whether your kidneys are diseased or healthy. Fill a tumbler with urine and let it stand 24 hours; if it has a sediment, if it is milky or cloudy, discolored or pale; if it isropy or stringy, your kidneys and bladder are in a dangerous condition and you do not need a physician to tell you so.

Kidney diseases should be attended to at once, for almost 90 per cent. of our unexpected deaths of to-day are from that cause. Dr. David Kennedy's Favorite Kennedy is the only sure cure known for diseases of the Kidneys, Liver, Bladder and Blood, Rheumatism, Dyspepsia and Chronic Constipation. It is marvelous how it stops that pain in the back, relieves the necessity of urinating so often at night, drives away that scalding pain in passing water, corrects the bad effects of whiskey and beer and shows its beneficial effects on the system in an incredibly short time. It is sold by all drug stores at \$1.00 a bottle.

If you would like to test Favorite Kennedy free of all charge, send your full name and post office address to the DR. DAVID KENNEDY CORPORATION, Rondout, N. Y., and a free trial bottle, together with a pamphlet of valuable medical advice, will be sent you by return and postpaid, providing you mention this paper when you write. The publishers of this paper guarantee the genuineness of this liberal offer.

Wright, of Liberty Center, O.; Mr. and Mrs. C. E. Gill, of Pittsfield, and Mr. and Mrs. J. N. Twining, of Kipton. A pleasant time was had by all.

Mr. and Mrs. Earnest Edwards have gone on a tour of inspection through northeastern Ohio with a view of buying a farm if they find one for sale that suits them.

Steve Cowie, C. E. Wheeler and Carl Backus visited John Emmons in Kipton Sunday.

Mr. and Mrs. Y. W. Burge called on friends on Pleasant street, Sunday.

## SPREADS LIKE WILDFIRE.

You can't keep a good thing down. News of it travels fast. When things are "the best," they become "the best selling." Abraham Hare, a leading druggist of Bellevue, O., writes: "Electric Bitters are the best selling bitters I have ever handled in my 29 years' experience." You know why? Most diseases begin in disorders of stomach, liver, kidneys, bowels, blood and nerves. Electric Bitters tones up the stomach, regulates liver, kidneys and bowels, purifies the blood, strengthens the nerves, hence cures multitudes of maladies. It builds up the entire system. Puts new life and vigor into any weak, sickly, run-down man or woman. Only 50 cents. Sold by Near & Wells, druggists; guaranteed.

## Whooping Cough.

I had a little boy who was nearly dead from an attack of whooping cough. My neighbors recommended Chamberlain's Cough Remedy. I did not think that any medicine would help him, but after giving him a few doses of that remedy I noticed an improvement, and one bottle cured him entirely. It is the best cough medicine I ever had in the house.—J. L. Moore, South Burgettstown, Pa. For sale by Near & Wells.

At sundown Monday evening the body of Calvin P. Wilcox of the Leader city staff was laid in its final resting-place in the village cemetery at LaGrange, O. The time of burial was in accordance with the expressed wish of Mr. Wilcox. The burial was private, only the relatives being present. The funeral services, which were largely attended, were held at the home of Mr. and Mrs. N. A. Wilcox, parents of Mr. Wilcox, at 10:30 o'clock yesterday forenoon. Rev. Milford W. Fosbury, pastor of the West Cleveland Baptist Church, officiated, assisted by Rev. Reece of the Methodist Church in LaGrange. An eloquent eulogy was delivered by Rev. Fosbury, who drew his information from a two years' intimate acquaintance with Mr. Wilcox and from personal talks with the latter's associates on the Leader staff. He brought out prominently the fact that Mr. Wilcox was possessed of a fine nature, that he was a consistent Christian and that although his professional duties often brought him in close contact with the sin and hypocrisy of the world, it had in no way affected the purity of his life. The several brothers and sister of Mr. Wilcox sang "One Sweetly Solemn Thought" and "Abide With Me." Among the floral tributes was a beautiful piece from the associates of Mr. Wilcox on the Leader, consisting of a representation of the first page of the Leader, with the figures, "30," newspaper telegraphic signal for "good night." The Leader Publishing Company also sent a beautiful basket of roses. Among the relatives and friends in attendance from other places were: E. F. Wilcox and family, A. H. Wilcox and family, Mr. and Mrs. A. W. VanBenschoten and daughter, Mr. and Mrs. Arthur Wilcox, Miss Rhoda Simmons, Mrs. Hoover, Miss Sears, and Harvey Powers, of Cleveland; Hon. R. C. Powers and family, of New London; Mr. and Mrs. Clinton Wilcox, of Wellington; Mr. and Mrs. Wells Chamberlain and John and Clark Chamberlain, of Grafton. Mr. Wilcox leaves a widow and a one-year-old baby. His home was at No. 40 Oak Park street, Cleveland.
