BE SURE.

Be sure you need medicine before you take it, but having once found out that you need it—lose no time in getting the best. If it's for the Kidneys, Liver, Bladder or Blood, Rheumatism, Dyspepsia or for Chronic Constipation, the best is Dr. David Kennedy's Favorite Remedy, and a very simple way to find out if you need it, is to put some urine in a glass tumbler and let it stand 24 hours; if it then has a sediment or a milky, cloudy appearance, if it is rosy or stringy, pale or discolored, you do not need a physician to tell you that you should take Favorite Remedy at once. It speedily cures such dangerous symptoms as pain in the back, frequent desire to urinate, especially at night, burning scalding pain in passing water, the staining of linen by your urine and all the unpleasant and dangerous effects produced on the system by the use of whiskey and beer. All reliable druggists sell Dr. David Kennedy's Favorite Remedy at \$1.00 a bottle, or 6 bottles for \$5.00.

By a special and particular arrangement with the manufacturers, our readers can try this grand medicine absolutely free. By simply sending your full name and post office address to the DR. DAVID KENNEDY CORPORATION, Rondout, N.Y., mentioning this paper, when a trial bottle of Favorite Remedy, together with a pamphlet of valuable medical advice, will be sent you by mail postpaid.

The publishers of this paper guarantee the genuineness of this liberal offer.

OUR REUNION.

Once more we halt the day When friends meet friend; We come our different way As hour to spend. Each heart will swell with joy At this our meeting. With nothing to annoy Though time is fleeting. May we each coming year, Thus friendly gather, And nothing interfere Foul wind or weather. And, when we meet no more, On earth's reception. Meet on the other shore Without exception.
