## Family Reunion.

The following account of the reunion of the Campbell family, held at Portland, Mich., on Sept. 15, taken from the Portland Observer, will be of interest to Rochester people:

Brothers and sisters of James Campbell, living north of town, began to arrive at his pleasant farm home a week ago and on Friday, the 15th, all were present. It was the first reunion the family ever had, and some had not seen each other for forty-seven years; and as some of the members of it are already beyond the years allotted to man, there is no probability that they will ever be together again. In speaking of the reunion Mr. Campbell said: "We have had sixteen people at our table for the past week. The following were present: Oliver Campbell (aged 82 years) and wife, of Pen Yan, N. Y.; Phoebe J. Wright, (75) Camden, Mich.; Nathan Campbell (73) and wife, Cambria, Mich.; James E. Campbell (71) and wife, Portland, Mich.; John F. Campbell (65) and wife, Carlisle, Mich.; Harriet E. Branam (63) and husband, Auburn, Kas.; Alfred Campbell (60) and wife, Rochester, Ohio; Mrs. Craig, Auburn, Kas.; Walter Myers and wife, Camden, Mich.; the named ladies being nieces of Mr. Campbell.

## PENFIELD.

Rev. Long, resident M. E. pastor, is holding a series of meetings at his church, and as the interest seems spreading, it bids fair to prove quite a revival. He is assisted by the two Hoffman brothers, both blind, but both richly dowered with sweet voices; and both have dedicated their time and talents to the evangelical cause, and are doing a good work wherever they go. Brother Long, himself, is a faithful and efficient servant in his Master's cause, and will not cease in his well-doing until he has garnered a fruitful harvest of precious human sheaves.

A. J. Andrews, who may truthfully be said to be the most popular young man in our village, lately made a visit to C. C. Gardner's family in Trumbull county. He was accompanied by Master Fred Damon, and they report a splendid visit. Allie has now accepted a position in the hardware store of A. H. Peirce, in Wellington, where he will probably remain through the winter. No lounging and "loafing round" allowed in his book; he is "all alive" and one of those who are always on hand, and ready for any emergency.

G. R. Damon, of LaFayette visited his brother, J. H. Damon, on Sunday last.

Mrs. Millie Staples, from Galion is visiting her parents, Mr. and Mrs. C. R. Starr.

Miss Ina Hart is attending school in Wellington this winter.

W. B. Lindsley's house is undergoing a thorough renovation. It is being altered from top to bottom, and fairly overflows with carpenters, plasterers, painters, etc., surely that old "saw" that "too many cooks spoil the broth" cannot hold good in this instance, for W. B.'s home is beginning to show signs of its future glory and when all is done and the new piazza on two sides, completed, will be one of the "toniest" homes in Penfield.

I had dyspepsia fifty-seven years and never found permanent relief till I used Kodol Dyspepsia Cure. Now I am well and feel like a new man," writes S. J. Fleming, Murray, Neb. It is the best digestant known. Cures all forms of indigestion. Physicians everywhere prescribe it. Dr. J. W. Houghton.

A vast amount of instruction, educational in its character, has yet to be imparted as to the welcome that should be extended to the preacher entering either his new or old field of labor. There are some charges that have somehow have got the idea that the conference is bound to send them a preacher, and that it is a kind of patronizing thing for them to receive him. Now, a preacher who thinks anything of himself and family, would rather take a whipping than go to such a charge. If you would welcome your preacher, stand ready to second all his efforts for the good of the church, and the general community, and do not put his salary down to the lowest notch. That is no welcome.

There seems to be a large amount of stealing going on in this community. If the parties happen to get a very large dose of buck shot, it will perhaps help them to remember that no one likes to have their poultry or anything else stolen.

## A Narrow Escape.

Thankful words written by Mrs. Ada E. Hart, of Groton, S. D.: "Was taken with a bad cold which settled on my lungs; cough set in and finally terminated in consumption. Four doctors gave me up, saying I could live but a short time. I gave myself up to my Saviour, determined, if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for consumption, coughs and colds. I gave it a trial, took in all eight bottles. It has cured me, and thank God, I am saved and now a well and healthy woman." Trial bottles free at Near & Wells' drug store. Regular sizes 50c and \$1.00. Guaranteed or price refunded. (1)

## REMARKABLE RESCUE.

Mrs. Michael Curtain, of Plainfield, Ill., makes the statement that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption and that no medicine could cure her. Her druggist suggested Dr. King's New Discovery for Consumption; she bought a bottle and to her delight found herself benefited from first dose. She continued its use and after taking six bottles found herself sound and well; now does her own housework, and is as well as she ever was. Free trial bottles of this Great Discovery at Near & Wells' drug store. Only 50c and \$1.00; every bottle guaranteed.
