Poultry "raising" by the short method is becoming rather popular in this locality. One night last week O. P. Chapman's hen roost was visited, and about sixty chickens were appropriated for the Thanksgiving market. It is believed that the thieves carried their plunder away in a wagon. Mr. Chapman was out of town at the time.

At a recent meeting of Oberlin college trustees it was decided to postpone commencement until the week of June 27th, thus allowing many of the former students and graduates to permit of attending the grand reunion to be held at that time. There will be an entertainment in the Sunday school rooms of the Methodist church on Wednesday evening, December 6 and each one is requested to bring a lemon. Uncle Tom's Cabin was inflicted again upon the people of Wellington last Saturday night, but they seemed to enjoy it, for the Opera House was crowded clear up to the roof. The company, while making a good appearance on parade, was not up to general expectations, and saving the parts of Marks, Uncle Tom and Eva, the acting was inexcusably poor. Three or four hundred persons, who stayed to the after-piece, were bunched out of ten cents apiece.

Some persons think that the sign boards forbidding hunting, fishing, or gathering or trespassing upon private lands are of little account and that they may be regarded with impunity. This is a mistake, as the law makes it an act of trespass to go upon any cultivated or enclosed land for any purpose without permission from the owner, even if there is no sign board, and the owner is entitled to recover actual damage for such trespass. When sign boards are properly erected, any person who trespasses upon land so guarded is not only liable to pay the actual damages, but also a penalty not exceeding \$25—Elyria Reporter.

BE SURE.

Be sure you need medicine before you take it, but having once found out that you need it—lose no time in getting the best. If it's for the Kidneys, Liver, Bladder or Blood, Rheumatism, Dyspepsia or for Chronic Constipation, the best is Dr. David Kennedy's Favorite Remedy, and a very simple way to find out if you need it, is to put some urine in a glass tumbler and let it stand 24 hours; if it then has a sediment or a milky, cloudy appearance; if it isropy or stringy, pale or discolored, you do not need a physician to tell you that you should take Favorite Remedy at once. It speedily cures such dangerous symptoms as pain in the back, frequent desire to urinate, especially at night, burning scalding pain in passing water, the staining of linen by your urine and all the unpleasant and dangerous effects produced on the system by the use of whiskey and beer. All reliable druggists sell Dr. David Kennedy's Favorite Remedy at \$1.00 a bottle, or 6 bottles for \$5.00.

By a special and particular arrangement with the manufacturers, our readers can try this grand medicine absolutely free. By simply sending your full name and post office address to the DR. DAVID KENNEDY CORPORATION, Rondout, N.Y., mentioning this paper, when a trial bottle of Favorite Remedy, together with a pamphlet of valuable medical advice, will be sent you by mail postpaid. The publishers of this paper guarantee the genuineness of this liberal offer.
