The following are the provisions of the act April 2, 1859, with reference to the semi-annual collection of taxes.

The law declares: "That each person charged with taxes on Tax Duplicate in the hands of the County Treasurer, may, at his option, pay the full amount of such taxes on or before the 20th day of December; and the remaining half on or before the 20th day of June next, ensuing," the time being limited by the law when the Treasurer and Auditor must make their settlements, and the Treasurer pay over the money to the proper authorities. The Tax-Payers are therefore notified that the delinquent list will be made up immediately after the 20th day of December, and the taxes collected according to the following section of said law.

SEC. 1004, R. S. "When one-half of the taxes aforesaid, charged against any entry on the tax duplicate in the hands of a County Treasurer shall not be paid on or before the 20th day of December, next, after the same shall have been charged, or when the remainder of such taxes shall not be paid on or before the 20th day of June next thereafter, the County Treasurer shall proceed to collect the same by distress or otherwise, as may at the time be prescribed by law together with the penalty of five per centum on the amount of taxes so delinquent, and in all cases where such half of any taxes, other than on Real Estate, shall not have been paid on the 20th day of December, the whole amount of taxes other than Real Estate, for the current year, so charged shall be due and delinquent and shall be collected in the same manner and with the penalty provided in this section.

All Road Taxes on Duplicate shall be paid prior to the 20th day of December, in the the manner prescribed by law.

While it is proposed to do everything reasonable to satisfy Tax Payers, yet no effort will be spared, necessary to make a close collection.

When you ask in person or by letter for the amount of your taxes, please be ready to state, if personal in whose name it was assessed and if land, the number of acres, in what township and section, if town property, the number of lot. If you have a tax receipt of the preceeding year, bring or send that, as it will facilitate the finding of property on duplicate, and insure prompt attention and the correct descriptive receipt being given.

Washington Letter.

From our regular correspondent.

the payment by this company of its indebtedness to the Government. They indorse the (Outhwaite) bill, which was pending when the last Congress adjourned.

It remains to be seen whether the millionaire lobby will be successful in again defeating this much needed legislation during the coming Congress. Representative Outhwaite proposes to re-introduce the same bill as soon as Congress meets, and to use his utmost endeaver to push it through the House. There is little doubt of its being passed by the House, but the danger lies in the Senate, which has always been inclined, for obvious reasons, to be extremely lenient in its dealings with the Pacific railroads.

A silly charge was brought against Mr Tompson by Republicans because he has taken steps to prosecute members of a Virginia republican club of this city for collecting money from the government employes for the Mahone campaign fund.

Ex-Secretary Bayard will be married in this city next Thursday, to Miss Clymer. This marriage has been reported as about to take place at least a half dozen times during the last year. This announcement is official, as your correspondent has one of the few cards issued.
