SPECIAL NOTICE TO OLD SOLDIERS.

BOUNTY LAND AGENCY,
WASHINGTON CITY.

ALEXANDER H. EVANS,

FOR several years connected with several Departments of the General Government, continues his Bounty Land Agency in Washington City, and would call the attention of **Old Soldiers** and their heirs, to the very low terms upon which he procures warrants under the new Bounty Land Law of Congress. His arrangements with the Departments, and familiarity with the management of such cases, will enable him to procure warrants with the least possible delay.

In addition to his experience, he possesses much valuable record and documentary evidence appertaining to the numerous classes of claims.

☞ Army Officers, Soldiers, Teamsters, Naval Officers, Seamen, Marines, and Navy Clerks, *(or their surviving widows or minor children)* who served in the Revolutionary War, War of 1812, Florida, or any of the Indian Wars, for a period of not less than *fourteen days*, are now entitled to a Land Warrant for 160 acres. Those who have already received their 40 or 80 acre warrants are now entitled to an additional quantity (equal to 160 acres).

☞ Regular correspondents who prepare cases and forward them to my address, for management here will be liberally dealt with.

☞ A COURT OF CLAIMS having been created by Congress, before which, all PRIVATE CLAIMS not provided for by law, are to be prosecuted for adjudication, Mr. Evans will undertake the management of any cases before that court—fees to be agreed upon.

☞ FEES FOR PROCURING LAND WARRANTS:—*(without regard to size)* On original applications, only $5: for increase $1.

JOHN WORK,

WHOLESALE AND RETAIL DEALER IN

COPPER, TIN & SHEET-IRON WARE,

Main street, nearly opposite the Tallmadge House.

AGAIN takes pleasure in calling the attention of his customers and country merchants generally, to the largest stock of Copper, Tin and Sheet-iron manufactures ever brought to this market. He takes great pains to keep constantly on hand a large variety of every thing that can possibly be wanted in his line, and flatters himself that from his long experience in the

Tin and Sheet-Iron Business,

he will be able to give full satisfaction to all who may favor him with their work. Having a practical knowledge of the business, his selections are made with a view to durability, style and cheapness.

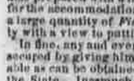
Manufactured to Order.

He also keeps in his employ some of the best workmen that can be secured, and always having on hand the very best material, is enabled to manufacture to order anything and every thing desirable in his line, in as good style and on as fair terms as can anywhere be had.

All kinds of Stoves, &c.

Never in the history of Lancaster was there an establishment that kept on hand a larger and more complete assortment of stoves, of all kinds and varieties. He is also prepared with a large number of *Fire Grates*, and for the accommodation of his customers keeps on hand a large quantity of *Fire Brick*, manufactured expressly with a view to putting up Grates, &c.

In fine, any and everything needed in his line can be accured by giving him a call, and at prices as reasonable as can be obtained in any other establishment in the State. Inasmuch as his present stock is greatly superior to his former in quantity, quality, variety and cheapness, he feels confident that persons giving him a call will go away highly delighted and amply satisfied.



He also keeps constantly on hand a large Stock of **Steel Plows**, of Cincinnati and Circleville manufacture.

Lancaster, March 8, 1855—44

SOMETHING NEW AND VALUABLE.

THE most powerful King on the face of the globe now reigns supreme in the American Republic. The power of the crowned heads of Europe sink into insignificance when compared to that of our American King.

European Kings empley the power vested in them to increase the riches of the rich and lordly, and to
