35c "Danderine" Saves Your Hair—Ends Dandruff! Delightful Tonic

Only fools let hair fall out and dandruff stay. Neglect means a bald spot shortly. A little "Danderine" now will save your hair. This delightful tonic cleans the scalp of every particle of dandruff, tightens the hair-root pores, so the hair stops coming out and so the vitalizing oils, which are the very life and strength of the hair, cannot ooze away.  
Danderine is not sticky or greasy. It has made weak, sick, neglected hair strong and healthy for millions of men and women. Your comb or brush is warning you. Hurry to any drug store and get a bottle now. Don't wait!—Adv.

**MOTHER!**  
Open Child's Bowels with "California Fig Syrup"

Even a sick child loves the "fruity" taste of "California Fig Syrup." If the little tongue is coated, or if your child is listless, cross, feverish, full of cold, or has colic, give a teaspoonful to cleanse the liver and bowels. In a few hours you can see for yourself how thoroughly it works all the constipation poison, sour bile and waste out of the bowels, and you have a well, playful child again.  
Millions of mothers keep "California Fig Syrup" handy. They know a teaspoonful today saves a sick child tomorrow. Ask your druggist for genuine "California Fig Syrup" which has directions for babies and children of all ages printed on bottle. Mother!
