Ouch! Such Pain!

It takes you right in the back! Sometimes in the arm, hip or foot.

It's all due to an over-abundance of that poison, called uric acid. The kidneys are not able to get rid of it. Such conditions you can readily overcome, and prolong life by taking the advice of Dr. Pierce, which is, "keep the kidneys in good order." Avoid too much meat, alcohol or tea. Drink plenty of pure water, preferably hot water, before meals, and drive the uric acid out of the system by taking Anuric. This can be obtained at any drug store, in tablet form. Ask for Dr. Pierce's Anuric (kidney and backache remedy).

Folks everywhere in Ohio have been benefited as was Mr. Sutton.

Minerva, Ohio—"I was suffering most severely from a pain in my back. I got a bottle of Dr. Pierce's Anuric Tablets and took them. It was rheumatism, and in about three or four weeks I had relief. I know, too, from the experience of others with whom I am acquainted, users of Dr. Pierce's Anuric, that they have been benefited."

Send Dr. Pierce at Invalids' Hotel in Buffalo, N. Y., 10c for trial package of Anuric and write for free medical advice.
