NOTICE. WATER PRIVILEGE FOR SALE.—The subscriber has a very convenient Water privilege, suitable for the situation of a Furnace, Forge or other water works. It is situated on Swan Creek, three and a half miles from Port Miami. The water may be taken from the subscribers mill pond, at a trifling cost, and with perfect security from damage by the freshets. In the distance of two or three miles there are inexhaustible beds of Iron ore of the first quality, and the country being very level presents no obstruction to the building of a road in any direction with very little expense. The ore lies in beds, near the top of the ground, and has been judged to be of the richness of sixty per cent. The subscriber will give great encouragement to any person or persons who will undertake and carry on the above business, and will take an interest in the works, or sell the situation. This improvement is greatly needed in this country, and might be made immediately and immensely profitable. For further particulars, inquire of the subscriber in Miami city. MEDICINES. THE subscribers, living in the new building, between the Commercial buildings and the Washington House, have for sale, on consignment, the following medicines, to wit: H. Eastman's Pulmonary Balsam, for diseases of the Lungs and Breast.

It is a melancholy fact that Consumption constitutes a large portion of our bills of mortality, and forms one of the most crowded avenues to the tomb. The principal cause of the mortality of this formidable disease may be attributed to the peculiar character of its primary symptoms. In its first stages, the patient is seldom aware of the alarming disease that is fastening upon him; consequently no remedial aid is sought until it is too late. Its preliminary symptoms appearing trifling, hence they are disregarded until in their more full development the victim is alarmed, and struggles in vain to elude the fatal grasp. The first symptoms that should be taken as a warning are the following: v: z: A short dry cough without much expectoration, except a frothy mucus; an uneasiness about the chest, or a sense of pain when lying on the side; a pain under the breast bone; respiration is oppressed by the least extra bodily exertion, and particularly in warm rooms, or in moist weather; mental excitement and depression, alternately; spitting of blood is also a warning symptom of approaching Consumption. Colds frequently engender this disease; the alarming symptom, in this case, is the continuation of the cough accompanied with some of the above symptoms, any of which may be observed perhaps for months before the patient will acknowledge that he is so ill as to require attention. When indeed this is the most critical period, and if relief is not soon found, the cough increases and is more troublesome and severe, particularly at night; the expectoration more copious, of a greenish color, sometimes tinged with blood; the laborious breathing and emaciation continue to increase; the hectic flush is soon seen in the pale cheek accompanied by night sweats, &c.; the closing scene is too well known.

For this formidable disease the Pulmonary Balsam is prepared and offered to the afflicted, in connection with my Elixir of Health and Embrocation. The Balsam possesses the requisite properties for healing and restoring the lungs to a healthy state, while the Elixir tends to produce, invigorate and maintain a healthy action in the whole system, purifying the blood and preparing the system so that nature, by the aid of the Balsam and Embrocation, may carry on and effect the healing process. It is a well known fact that a wound, sore or ulcer cannot easily be healed or cured without keeping the system in good order and a healthy condition; hence the failure of all cough medicine for the cure of the Consumption cough, this cough being only a symptom of a diseased state of the lungs, can only be permanently removed as they are restored to a sound state. No one medicine can be relied upon in a diseased state of the lungs; but the above medicines, viz. H. Eastman's Pulmonary Balsam, Elixir of Health and Embrocation have succeeded even in the apparent last stages of the Consumption.

Prepared and sold by H. EASTMAN, Druggist, Zanesville, Ohio; where may be had in addition to a general assortment of Drugs & Medicines, the following valuable and highly important Medicines, viz. Natures Assistant, or the Female's Own Medicine, for obstructions, &c.; Nerve Cordial, a valuable medicine for nervous debility, weakness, &c.; Specific Embrocation, for sprains, Complaints, Consumption, &c. J. A. PETERS & SON, Nov. 8. 31mf

ZANESVILLE, Sept. 25, 1838. Messrs. O. Williams & Co. GENTLEMEN:—Having sent you a quantity of my ELIXIR OF HEALTH for sale, and presuming that its virtues are not fully known in your section of country, I have deemed it proper to afford you the necessary information. This is a medicine of my own devising, under a belief that medicine can only be serviceable as it assists the efforts of nature, whose efforts are always exerted to rid the system of whatever is injurious, and to maintain a healthy action in those organs which are the prime regulators of the whole system, and this she would always accomplish, except overpowered by some deleterious agent taken into the system. Its action is upon the stomach, liver, and digestive organs generally; upon the proper state and action of which, a healthy condition of the system mainly depends. In its operation it removes all obstructions, carries off all morbid bile, and other vitiated matter, gives tone and energy to all the digestive powers, and enables each to perform its proper office; hence it must be perceived that it is adapted to remove the great variety of diseases which proceed from a derangement of these organs. The following are some of the symptoms and diseases incident to these derangements, and for which the elixer has proved most signally efficacious: Loss of appetite, debility, lassitude or sense of weariness, nausea, oppression from food, flatulency, acid stomach, cordiality or heart burn, unpleasant taste in the mouth, pains in the head, back, side, shoulders or limbs, sick head ache, costiveness or the reverse, depression, melancholy, disturbed sleep, cold hands and feet, bilious habit, night sweats, pale swollen countenance, dyspepsia and liver complaints, &c. It has proved most signally efficacious in raising the system from the torpor and general prostration which ague and fever, and other marsh fevers so frequently produce. For delicate females and children, it is incomparable. For coughs originated in the sympathy of the lungs, with a diseased stomach or liver, it has been uniformly efficacious. Many persons supposed to have been in a decline or consumption, have been restored by its use, restoring bloom to the pale and sickly cheek, and plumpness to the meagre.

From the nature of its operation and effects, it was supposed it might prove a preventive of bilious and other fevers, and as such it has been extensively used in some of our most sickly sections with apparent success. Thousands of families have adopted it as their family medicine, and many consider it a Panacea. They believe with me, that by a timely and proper use of the Elixir, that healthful action of the system will be kept up, which will effectually repel all those deleterious agents which cause fevers and many other diseases.

Since visiting your place and becoming acquainted with the character of its disease, I am fully satisfied that my Elixir is admirably adapted to their case, and by a timely use in their prevention in some measure, and I shall be much disappointed not to hear of such results. Of any had effects I entertain no fears, it is entirely botanical, and has been and may be taken in all ages and both sexes, in every condition with the happiest results. For particulars and testimonials, see bill on the medicine. Hoping that it may prove among you as great a blessing to the afflicted as it has in other places. I am, Gentlemen, yours truly, H. EASTMAN.

P. S. The public are cautioned against a spurious article of this medicine which is in circulation; the genuine has my written signature affixed to the directions. H. EASTMAN, Proprietor. The above medicine for sale by Messrs. O. Williams & Co. and Doct. Conant, Maumee City; Peck & Griswold, Perryburg, and Messrs. Erastus Roys & Co. Toledo. Nov. 17. 3mf

BALDNESS. A BEAUTIFUL head of Hair is the grandest ornament belonging to the human frame. How strangely the loss of it changes the countenance, and prematurely brings on the appearance of old age, which causes many to appear at being uncovered, and sometimes even shun society to avoid the jests and sneers of their acquaintance; the remainder of their lives is consequently spent in retirement. In short, not even the loss of property fills the generous thinking youth with that heavy sinking gloom as does the loss of his hair. To avert all these unpleasant circumstances, OLD DRIG'S BALM OF COLUMBIA stops the hair from falling off on the first application, and a few bottles restores it again. It likewise produces eyebrows and whiskers; prevents the hair from turning gray, makes it curl beautifully, and frees it from scurf. Numerous certificates of the first respectability in support of the virtues of Oldrig's Balm are shown by the proprietors.

Read the following. ROBERT WHARTON, Esq., late Mayor of Philadelphia, has certified, as may be seen below, to the high character of the following gentleman: The undersigned does hereby certify that we have used the Balm of Columbia discovered by J. Oldrig, and have found it highly serviceable, not only as a preventive against the falling out of hair, but also a certain restorative. WM. THATCHER, Sen., Methodist Minister, in St. George charge, JOHN P. INGLIS, 33 1/2 Arch st. JOHN S. THOMAS, M. D. 163 Race st. JOHN S. FURRY, 101 Spruce st. HUGH M. MURDY, 243 South 7th st. JOHN GARD, Jr. 123 Arch st.

It will certainly raise its virtues in the estimation of the public, when it is known that three of the above signers are more than 50 years of age, and the others not less than 30. [From the Mayor.] Commonwealth of Pennsylvania, City of Philadelphia, I, ROBERT WHARTON, Mayor of said city of Philadelphia, do hereby certify that I am well acquainted with J. P. Inglis, John S. Furry, and Hugh McCurdy, whose names are signed to the above certificate, and they are gentlemen of character and respectability, and as such full credit should be given to the said certificate. In witness whereof, I have hereunto set my hand, and caused the seal of the city to [L. S.] be affixed this sixth day of December, 1838.

ROBERT WHARTON, Mayor. CAUTION.—Observe that each bottle of the genuine Balm has a splendid engraved wrapper, on which is represented the Falls of Niagara, the agent's name, &c. To Editors, &c.—All country papers who will insert the above once a week 6 months, and send one number to the agents, shall be entitled to one dozen of Balm. Sold wholesale and retail by COMSTOCK & Co., Sole agents for America, 2 Fletcher st., near Mission Lane, one door below Pearl st. New York; and by one or more druggists in nearly every town in the Union. For sale at every Druggist store in this city. 25y1

HAEMORRHOIDS. No cure no pay! Price \$1. Hay's Liniment. No fiction! This extraordinary chemical composition, the result of science and the invention of a celebrated medical man, the introduction of which to the public was invested with the solemnity of a death-bed bequest, has since gained a reputation unparalleled, fully sustaining the correctness of the late Dr. Gridley's last confession, that "he dared not die without giving to posterity the benefit of his knowledge on this subject," and he therefore bequeathed to his friend and attendant, Solomon Hays, the secret of his discovery.

It is now used in the principal hospitals, and the private practice in our country, first and so extensively and effectually as to baffle credulity, unless where its effects are witnessed. Externally in the following complaints: For Dropsy—Creating extraordinary absorption at once. All Swellings—Reducing them in a few hours. Rheumatism—Acute or Chronic, giving quick ease. Sore Throat—By cancers, ulcers or colds. Croup, and Whooping Cough—Externally, and over the chest. All Bruises, Sprains and Burns—Curing in a few hours. Sores and Ulcers—Whether fresh or long standing, and fever sores. It operates upon adults and children in reducing rheumatic swellings, and loosening coughs and tightness of the chest by relaxation of the parts, has been surprising beyond conception.—The common remark of those who have used it in the Piles, is "It acts like a charm."

THE PILES.—The price \$1 is refunded to any person who will use a bottle of Hay's Liniment for the Piles, and return the empty bottle without being cured. There are the positive orders of the proprietor to the Agents; and out of many thousands sold, not one has been unsuccessful. We might insert certificates to any length, but prefer that those who sell the article, should exhibit the original to purchasers. CAUTION.—None can be genuine without a splendid engraved wrapper, on which is my name, and also that of the Agents. SOLOMON HAYS. TO EDITORS, &c.—All country papers who will insert the above 6 months, and send one number to the agents shall be entitled to one dozen of the Liniment. Sold wholesale and retail by COMSTOCK & Co., Sole Agents, 2 Fletcher street, near Maiden Lane, one door below Pearl st. New York, and by one druggist in every town in the Union. For sale at every Druggist store in this city. sept. 7. 23y1

HEADACHE. DR. E. SPOHN, a German physician of much note, having devoted his attention for some years to the cure and removal of the causes of NERVOUS AND SICK HEADACHE, he has the satisfaction to make known that he has a remedy which by removing the causes cures effectually and permanently this distressing complaint. There are many families who have considered Sick Headache a constitutional incurable family complaint. Dr. S. assures them that they are mistaken, and laboring under distress which they might not only alleviate, but actually eradicate by the use of his remedy. It is the result of scientific research, and is entirely of a different character from advertised patent medicines, and is not unpleasant to the taste.

HEADACHE, SICK OR NERVOUS. The extraordinary reputation that Dr. Spohn's remedy for this distressing complaint is every day gaining is certainly a matter of much astonishment. That so much suffering should have existed for ages without any discovery of an effectual preventative or cure, is truly a subject of much regret, but Dr. S. now assures the public that such a remedy has been invented as will convince the most credulous. The principles upon which it acts are simple and plain. It is an admitted fact, that Sick Headache arises primarily from the stomach—those who think they have the Nervous Headache may rest assured that this organ, the stomach, is the first cause, that the system has been vitiated or debilitated, through the stomach, and that only through the same channel must they expect a restoration of the natural and healthy functions of the system.—This object, Dr. Spohn's remedy is eminently calculated to attain. The truth of this position cannot be controverted, and the sooner sufferers with the headache become convinced of it, the sooner will their sufferings end in restoration of health. Dr. Spohn pledges his professional reputation on this fact. The remedy may be had of apothecaries generally throughout the U. S. COM-STOCK & Co., wholesale druggists 2 Fletcher street, near Maiden Lane, one door below Pearl street, N. Y., general agents for America. E. SPOHN, M. D. For sale at every Druggist's in this city.
