A Rich Marriage Ceremony.

The following description of a marriage in Illinois by a newly appointed Justice of the Peace, who is something of a wag, is taken verbatim from a letter written to a friend in this city.

"Having been appointed to the desirable 'posish' of Justice of the Peace I was accosted on the 4th day of July by a sleek looking young man, and in silvery tones requested me to proceed to a neighboring hotel, as he wished to enter into the holy bands of matrimony.

"New," said I, "Georgiana, (her name was Georgiana,) you hear what Humphrey says. Do you accept the invitation to become his wife; will you be lenient toward his faults, and cherish his virtues; will you never be guilty of throwing furniture at his head for slight offenses, and will you get three meals a day without grumbling?"

A Startling Fact.
The Protestant churches of this country are in a deplorable condition. Everywhere clergymen are beginning to complain of Christian love and fellowship.

NOT EXACTLY—Before a Court of Common Pleas, in a neighboring county, a breach of promise was recently under consideration.
